

Vertical Limit Volleyball Club

2025/2026 Club Sponsorship Package

About Us

Vertical Limit Volleyball Club (VLVC) was established in 2018 in Grande Prairie, Alberta.

We are proud members of Volleyball Alberta and Volleyball Canada, providing opportunities for athletes aged U13–U16 to train, compete, and grow through the sport of volleyball.

Our athletes represent the Peace Country at local, provincial, and national levels, developing skills that extend far beyond the court — teamwork, resilience, confidence, and leadership.

VLVC is driven by a commitment to helping youth reach their full potential, both as athletes and as people. Through structured training, strong mentorship, and a supportive club culture, we aim to build leaders on and off the court.

Why We Need Your Support

VLVC is a non-profit organization that relies on registrations, fundraising, and the generous support of local sponsors to operate each season.

Your sponsorship ensures our athletes have access to safe, high-quality, and affordable volleyball programs while supporting the ongoing growth of volleyball in our region.

Your contribution helps us to:

- Keep youth sports accessible to all families
- Upgrade and maintain training equipment
- Support ongoing coach education and certification
- Provide safe, high-quality environments for athletes to train and compete

For the 2025/2026 season, we are seeking both cash and in-kind sponsorships.

Your sponsorship directly impacts athlete development, coach growth, and community connection.

Thank You

We are incredibly grateful for the continued support of our local businesses, sponsors, and community members.

Your sponsorship helps us continue to provide meaningful experiences for athletes, coaches, and families across the Peace Country.

Thank you for helping us grow the game and create opportunities for youth to shine.
