## WHAT IS WOOSHKA?

Wooshka is what happens when fire fanatics build a camp cooker. Tough as nails, easy as pie, and ready to feed a crowd - anywhere, anytime.

Cooked up by the fire legends at Scandia Group, Wooshka takes everything they know about heat and harnesses it into one seriously versatile unit.

Grill, fry, bake, roast or boil - just light the fire and let Wooshka do its thing.

With a stack of smart add-ons, you can turn a simple campfire into a feast with zero fuss.

It's not just a cooker. It's your secret weapon for good food and great times around the flames.

WOOSHKA

# FUEL YOUR WOOSHKA YOUR WAY!

Wooshka doesn't play favourites when it comes to fuel. Whether you've got seasoned, dry hardwood, kindling, heat beads, charcoal or a stash of coals from last night's fire—Wooshka's ready to get cooking.

Built for flexibility, it fires up fast and keeps the heat steady, so you can spend less time fussing with flames and more time cooking up the good stuff.

However you fire it, Wooshka brings the heat!
