

Financial and Dental Insurance Policy

We are committed to providing you with the very best possible care. If you have dental insurance we are happy to assist you in receiving your maximum allowable benefits. In order to achieve this, please understand:

- ❖ Your insurance policy is a contract between you and the insurance company. We are not a party to that contract.
- ❖ All services are NOT covered by all insurance companies.
- ❖ Our treatment plans show an ESTIMATE of what your insurance company will cover. This estimate is not a guarantee of payment.
- ❖ While filing insurance claims is a COURTESY we extend to our patients, all charges are the patient's responsibility from the date services are rendered.
- ❖ It is the patient's responsibility to notify us of a new insurance plan.

Regardless of pending insurance claims, payment in full is required within 90 days. Patients with insurance policies that reimburse the subscriber are expected to pay for fees incurred on the same day of service.

Methods of payment include Cash * Checks * Credit Cards

We also have financing options through a 3rd party finance company that may provide deferred interest promotions. Please ask us about CARE CREDIT if you would like more information.

I understand and agree that, regardless of my insurance status, I am responsible for the balance of my account for any and all professional services rendered.
