Product Guide

An Australian Story

Australian Made & Owned Outdoor Power Equipment

Proudly Australian-owned and manufactured since 1961. Globally Recognised. Founded by brothers John and Angelo Notaras, Atom began with the invention of the world's first Chainsaw Drill Attachment. Over six decades, Atom has grown into a globally recognised brand, known for award-winning outdoor power equipment that makes tough jobs faster, easier, and more efficient. From Australia's first lightweight chainsaw to today's advanced 58V battery-powered range, Atom's legacy is built on innovation, integrity, and trust - delivering performance, reliability, and durability in every tool.

01. Lawn Edgers

02. Leaf Blowers

03. Garden Tillers

04. Engine Powered Drills

05. Hardwood Augers

Research & Development

At Atom, innovation isn't just a goal, it's our legacy. For over 60 years, we've been pioneering worldclass lawn and garden equipment that's built to last, engineered for performance, and designed to impress.

Sustainability

At Atom, caring for the planet is built into everything we do. From our manufacturing processes to the products we create, we're committed to reducing our carbon footprint and leading the way in sustainable innovation.

Why Choose ATOM?

- ✓ Proudly Australian-Owned & Made
- ✓ Internationally Awarded
- ✓ Trusted by Experts & Everyday Users
- ✓ Nationwide Dealer Network
- ✓ Eco-Friendly Manufacturing

John Notaras of Atom Industries was also honoured with the Lifetime Achievement Award for his decades of service to the industry, presented by SugarCRM.

Lawn Edgers

**Sharper, Faster, Smarter Edging with
Australia's #1 Lawn Edger Brand**

Achieve crisp, professional-looking lawn edges with ATOM's industry-leading range of lawn edgers - trusted by home gardeners and professionals alike for their precision, performance, and reliability. Whether you're after a lightweight model for domestic use or a heavy-duty machine for commercial landscaping, every Atom edger is built to deliver clean cuts and long-lasting durability.

315 Battery Edger

Homeowner /// BATTERY

Take your home lawn care to the next level with the 315 Battery Lawn Edger. This edger features a 58V variable-speed brushless motor with 900 watts of cutting power, offering strength, control, and sustainable performance in a compact design.

- Power Rating: 900 W
- Edging Depth: 75mm / 3"
- Batteries: 2.5 Ah or 5.0 Ah
- Weight: 7.7 kg

355 Pro Battery Edger

Professional /// BATTERY

Built for professionals and serious lawn enthusiasts, the 355 Battery Edger delivers unmatched cutting precision and durability. With a 58V variable-speed brushless motor and an impressive 1200W output, handle tough jobs efficiently and quietly, with zero emissions.

- Power Rating: 1200 W
- Edging Depth: 75mm / 3"
- Batteries: 5.0Ah
- Weight: 9.5 kg

481 Lawn Edger

Homeowner /// 4-STROKE

Professional results at home thanks to the legendary Honda GX25 4-Stroke engine. Designed for small to medium lawns, this deluxe edger delivers clean, sharp edges with quiet, fuel-efficient performance. Lightweight, maneuverable, and packed with premium features.

- Engine: Honda GX25 | 25cc
- Edging Depth: 75mm / 3"
- Power Rating: 0.8 kW
- Weight: 8.2 kg

582 Lawn Edger

Professional /// 2-STROKE

When precision meets performance, you get the 582 edger for professionals who demand serious cutting strength and long-lasting durability. Powered by a 33cc Mitsubishi engine, this machine delivers exceptional torque and razor-sharp results, making it the perfect choice for commercial landscapers and councils.

- Engine: Mitsubishi TLE-33cc
- Edging Depth: 75mm / 3"
- Power Rating: 1.0 kW
- Weight: 8.5 kg

438 Lawn Edger

Homeowner /// 2-STROKE

The ultimate edger for homeowners who want crisp, professional-looking edges without breaking the bank. Powered by Atom's 26cc 2-stroke engine, this compact powerhouse delivers smooth, precise cuts with effortless manoeuvrability. Perfect for small to medium sized lawns.

- Engine: Atom 26FC-5 | 26cc
- Edging Depth: 75mm / 3"
- Power Rating: 0.63 kW
- Weight: 7.7 kg

458 Lawn Edger

Homeowner /// 2-STROKE

Step up your lawn edging game with the 458 edger, a premium choice for homeowners who want commercial-grade performance in a lightweight, easy-to-use design. Powered by Atom's 26HPE 2-stroke engine, the 458 delivers smooth, powerful cutting across small to large lawns.

- Engine: Atom 26HPE | 26cc
- Edging Depth: 75mm / 3"
- Power Rating: 0.9 kW
- Weight: 7.7 kg

562 Lawn Edger

Professional /// 4-STROKE

Edge smarter, not harder with the 562 Pro - built for serious users who demand commercial grade performance and unmatched durability. Driven by the legendary 35cc Honda GX35 4-Stroke engine, this edger delivers clean, sharp lines with ease, even in tough terrain - with zero compromise on comfort or control.

- Engine: Honda GX35 | 35cc
- Edging Depth: 75mm / 3"
- Power Rating: 1.0 kW
- Weight: 9.0 kg

590 Lawn Edger

Professional /// 4-STROKE

Unleash the 590 Pro Max - built for professionals who demand relentless performance, precision engineering, and comfort that lasts all day. Powered by the 50cc Honda GX50 4-Stroke engine, this beast delivers 1.5kW of cutting force. No matter what you're edging, the 590 Pro Max is engineered to go the distance.

- Engine: Honda GX50 | 50cc
- Edging Depth: 75mm / 3"
- Power Rating: 1.5 kW
- Weight: 9.5 kg

Leaf Blowers

Clear Faster. Work Smarter. Blow Stronger

Atom leaf blowers are designed to make garden clean-up fast, easy, and efficient. Compact yet powerful, they feature patented SMARTFAN® technology for low noise and smooth operation. Each model includes a prograde anti-vibration handle for all-day comfort. Whether you're a weekend gardener or a professional landscaper, Atom delivers reliable performance and precision handling every time.

815 Battery Blower

Homeowner /// BATTERY

Experience unmatched blowing power with the 815 Battery Blower. Atom's 58V brushless motor provides 900 watts of variable speed power. Built for strength, efficiency, and sustainability, this blower suits both home and professional jobs, with a choice of battery options to suit individual needs.

- \ Power Rating: 900 W
- \ Batteries: 2.5 Ah or 5.0 Ah
- \ Weight: 3.0 kg (excl. battery)
- \ Max Air Speed: 350 km/h
- \ Max Air Volume: 920 m³/hr
- \ Nozzles: Straight & Fishtail

838 Blower

Homeowner /// 2-STROKE

Serious performance in a compact, easy-to-handle design to make every home clean-up task fast, quiet and efficient. Powered by Atom's long-life 26cc engine, this blower delivers maximum airspeed of 270km/h and air volume of 750m³/hr - clearing leaves and debris with ease and precision.

- \ Engine: Atom 26FC-5 | 26cc
- \ Power Rating: 0.63 kW
- \ Weight: 4.2 kg
- \ Max Air Speed: 270 km/h
- \ Max Air Volume: 750 m³/hr
- \ Nozzles: Straight

855 Blower

Professional /// 4-STROKE

Unbridled performance meets ultra-light design - experience the world's lightest Hondapowered blower built for serious airflow and effortless control. With SMARTFAN[®] technology, it delivers an airspeed of 320km/h and a massive air volume of 860m³/hr - clearing debris with precision, speed, and minimal noise.

- \ Engine: Honda GX25 | 25cc
- \ Power Rating: 0.72 kW
- \ Weight: 4.3 kg
- \ Max Air Speed: 320 km/h
- \ Max Air Volume: 860 m³/hr
- \ Nozzles: Straight & Fishtail

858 Blower

Professional /// 2-STROKE

Experience unmatched blowing power with this commercial-grade powerhouse. Built for serious performance with Atom's 26HPE engine delivering a class-leading 335km/h airspeed and 890m³/hr air volume - perfect for clearing large properties, parks, and commercial landscapes.

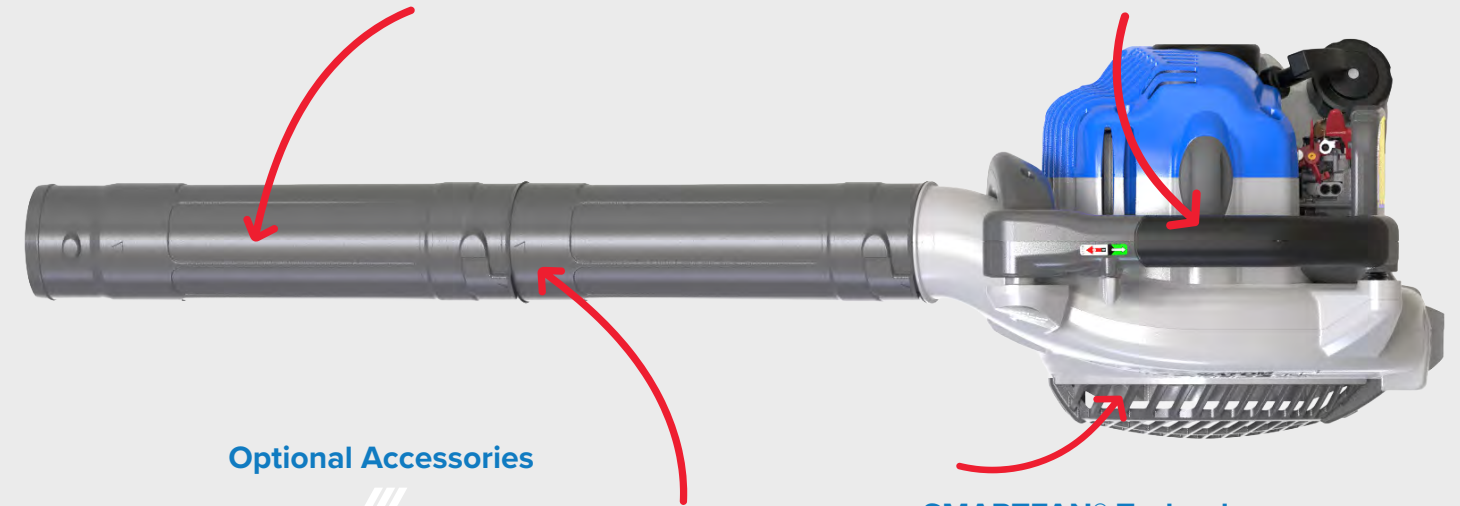

- \ Engine: Atom 26HPE | 26cc
- \ Power Rating: 0.9 kW
- \ Weight: 4.2 kg
- \ Max Air Speed: 335 km/h
- \ Max Air Volume: 890 m³/hr
- \ Nozzles: Straight & Fishtail

Ergonomic Design

With the handle inline with the nozzle you get zero side kick and massive air blast with comfortable operation - so you can work longer, not harder.

Anti-Vibration Handle

With the added comfort of coil springs professional anti-vibration rubber grip handle featured on all models, you can get more out of your work day with an Atom blower.

Optional Accessories

Get more out of your blower with a range of optional accessories designed to suit your Atom blower. Choose from a Vaccum Kit with Mulching Baldes for the ultimate clean up, clear out your gutters with the Roof Gutter Sliding Cleaner, or get on top of your weeds with the Spraying / Misting attachment.

SMARTFAN[®] Technology

Featured on all models is Atom's patented SMARTFAN[®] technology that produces more air than any other blower and has lowest fan noise frequency level.

Garden Tillers

**Award-Winning Innovation.
Effortless Cultivation**

Take the hard work out of gardening with Atom Garden Tillers - compact, lightweight machines trusted by gardeners and landscapers worldwide. Designed to cultivate up to 12 times faster and easier than traditional tools, Atom tillers make soil preparation, mulching, and composting a breeze. Whether you're working in tight garden beds or tackling larger plots, Atom delivers precision, power, and convenience in every pass.

715-4T Battery Tiller

Homeowner /// BATTERY

Transform your gardening experience with the 715-4T Battery Tiller. This compact, high-performance 4-tine tiller uses Atom's 58V lithium-ion battery and a 900W brushless motor to provide strong, quiet, and eco-friendly soil preparation - no petrol required.

- \\ Power Rating: 900 W
- \\ Batteries: 2.5 Ah or 5.0 Ah
- \\ Weight: 10.9 kg
- \\ Number of Tines: 4
- \\ Tilling Width: 230mm / 9"
- \\ Tilling Depth: 200mm / 8"

715-6T Battery Tiller

Homeowner /// BATTERY

The ultimate cordless garden tiller for those who demand more power, more coverage, and more convenience. Equipped with a 58V variablespeed brushless motor providing 900W of hightorque power, this tiller cultivates soil up to 12 times faster than manual tools.

- \\ Power Rating: 900 W
- \\ Batteries: 2.5 Ah or 5.0 Ah
- \\ Weight: 10.9 kg
- \\ Number of Tines: 6
- \\ Tilling Width: 330mm / 13"
- \\ Tilling Depth: 200mm / 8"

758-4T Tiller

Homeowner /// 2-STROKE

Built for serious home gardeners who demand commercial-grade performance in a compact, easy-to-use design. Powered by Atom's 26HPE high-performance engine and cultivates up to 8 times faster and easier than traditional methods - making soil prep, composting, and mulching effortless.

- \\ Engine: Atom 26HPE | 26cc
- \\ Power Rating: 0.9 kW
- \\ Weight: 10.9 kg
- \\ Number of Tines: 4
- \\ Tilling Width: 230mm / 9"
- \\ Tilling Depth: 200mm / 8"

758-6T Tiller

Homeowner /// 2-STROKE

The ultimate choice for gardeners and landscapers who demand extra-wide performance and commercial-grade power. Featuring Atom's 26HPE high-performance engine, this tiller is engineered to cultivate 12 times faster and easier than traditional tools - even in tough, compacted soil.

- \\ Engine: Atom 26HPE | 26cc
- \\ Power Rating: 0.9 kW
- \\ Weight: 10.9 kg
- \\ Number of Tines: 6
- \\ Tilling Width: 330mm / 13"
- \\ Tilling Depth: 200mm / 8"

738-4T Tiller

Homeowner /// 2-STROKE

Whether you're prepping garden beds, composting, or mulching, the Atom 738-4T delivers high performance at home in a compact, easy-to-use design. Powered by Atom's long-life 26cc 2-Stroke engine, this tiller is designed to cultivate up to 8 times faster and easier than traditional methods.

- \\ Engine: Atom 26FC-5 | 26cc
- \\ Power Rating: 0.63 kW
- \\ Weight: 10.9 kg
- \\ Number of Tines: 4
- \\ Tilling Width: 230mm / 9"
- \\ Tilling Depth: 200mm / 8"

738-6T Tiller

Homeowner /// 2-STROKE

Built for serious soil work - with extra wide tines delivering 12x faster cultivation with the power and precision of Atom's long-life 26cc engine. Designed and made in Australia, this tiller is tough enough for hard soils and rugged terrain, yet compact and easy to handle for all your home cultivation needs.

- \\ Engine: Atom 26FC-5 | 26cc
- \\ Power Rating: 0.63 kW
- \\ Weight: 11.2 kg
- \\ Number of Tines: 6
- \\ Tilling Width: 330mm / 13"
- \\ Tilling Depth: 200mm / 8"

756-4T Tiller

Homeowner /// 4-STROKE

Combines the quiet, easy-start Honda 4-Stroke engine with Atom's award-winning design to deliver 8x faster and easier cultivation - perfect for home gardeners who want professional results without the noise or hassle. Designed and made in Australia, it's your go-to tiller for quiet power, clean performance, and reliability.

- \\ Engine: Honda GX25 | 25cc
- \\ Power Rating: 0.72 kW
- \\ Weight: 11.0 kg
- \\ Number of Tines: 4
- \\ Tilling Width: 230mm / 9"
- \\ Tilling Depth: 200mm / 8"

756-6T Tiller

Homeowner /// 4-STROKE

Built for gardeners who want maximum coverage with minimal effort. Powered by the quiet and easy-start Honda GX25 4-Stroke engine, this tiller delivers 12x faster and easier cultivation - perfect for prepping garden beds, composting, and mulching with professional precision even in tough and compacted soil.

Engine Powered Drills

10x Faster Gear Changes. Maximum Power. Zero Compromise

Dominate every drilling task with the Atom Drillmaster®, the only engine-powered drill featuring Automatic Reverse Gear for gear changes up to 10x faster than the competition. Less downtime. More productivity. Pure drilling muscle. Built for professionals, Atom's Pro models tear through hardwoods up to 32mm, while Intermediate and Economy models handle up to 19mm with ease. Australian-Made, versatile, reliable, and engineered for serious results.

Scan to find out more about ATOM DRILLMASTER® - Engine Powered Drills

938 Drillmaster

Homeowner /// 2-STROKE

Australian-made, tough-tested and ready for action! Powered by a 26cc engine, this compact drill is engineered for reliable, efficient drilling through tough timbers up to 19mm hardwood and 32mm softwood. With automatic reverse gear for up to 10x faster gear changes, you'll spend less time fiddling and more time drilling.

- \ Engine: Atom 26FC-5 | 26cc
- \ Power Rating: 0.6 kW
- \ Weight: 6.0 kg
- \ Auger (1 1/4) speed: 0-265rpm
- \ Hardwood: Up to 19mm
- \ Other Timber: Up to 32mm

958 Drillmaster

Homeowner /// 2-STROKE

Unleash elite performance! Designed for commercial-grade reliability and precision, the 958 Drillmaster is a lightweight powerhouse that delivers exceptional torque, rapid acceleration, and smooth operation - even under heavy load. Compact. Rugged. Relentless. That's Atom power.

- \ Engine: Atom 26HPE | 26cc
- \ Power Rating: 0.9 kW
- \ Weight: 6.0 kg
- \ Auger (1 1/4) speed: 0-300rpm
- \ Hardwood: Up to 19mm
- \ Other Timber: Up to 32mm

960 Drillmaster

Professional /// 4-STROKE

Built for professionals and powered by a Honda GX35 4-Stroke engine with no fuel mixing, low emissions, and whisper-quiet operation - just smooth, consistent power you can count on. Drill through hardwoods up to 32mm with ease, and stay productive with automatic reverse gear for up to 10x faster gear changes.

- \ Engine: Honda GX35 | 35cc
- \ Power Rating: 1.0 kW
- \ Weight: 7.0 kg
- \ Auger (1 1/4) speed: 0-400rpm
- \ Hardwood: Up to 32mm
- \ Other Timber: Up to 32mm

990 Drillmaster

Professional /// 4-STROKE

Atom's 990 Pro Max is the ultimate professional drill. The Honda GX50 4-Stroke engine delivers unmatched torque, smooth performance, and zero fuel mixing. Drill through hardwoods up to 32mm with ease, and stay efficient with automatic reverse gear. Built tough for fencing, agriculture, and heavy-duty commercial use.

- \ Engine: Honda GX50 | 50cc
- \ Power Rating: 1.5 kW
- \ Weight: 7.5 kg
- \ Auger (1 1/4) speed: 0-550rpm
- \ Hardwood: Up to 32mm
- \ Other Timber: Up to 32mm

956 Drillmaster

Homeowner /// 4-STROKE

Power through your drilling tasks with the 956 Drillmaster, powered by the Honda GX25 4-Stroke engine, delivering quiet, fuel-efficient performance. Drills hardwoods up to 19mm and softwoods up to 32mm with ease, while the automatic reverse gear enables gear changes up to 10x faster.

- \ Engine: Honda GX25 | 25cc
- \ Power Rating: 0.72 kW
- \ Weight: 6.25 kg
- \ Auger (1 1/4) speed: 0-300rpm
- \ Hardwood: Up to 19mm
- \ Other Timber: Up to 32mm

980 Drillmaster

Professional /// 2-STROKE

A professional drill with a robust 33cc Mitsubishi engine, the 980 tears through hardwoods up to 32mm, delivering maximum torque, fast auger speed, and smooth control. With automatic reverse gear for up to 10x faster gear changes, plus a heavy-duty clutch for protection under load, you can drill longer, faster, and smarter.

- \ Engine: Mitsubishi TLE-33cc
- \ Power Rating: 1.0 kW
- \ Weight: 7.0 kg
- \ Auger (1 1/4) speed: 0-400rpm
- \ Hardwood: Up to 32mm
- \ Other Timber: Up to 32mm

Automatic torque controlled safety rotating throttle control

Hardwood Augers

**Engineered for Australian Hardwoods
– Made to Outperform**

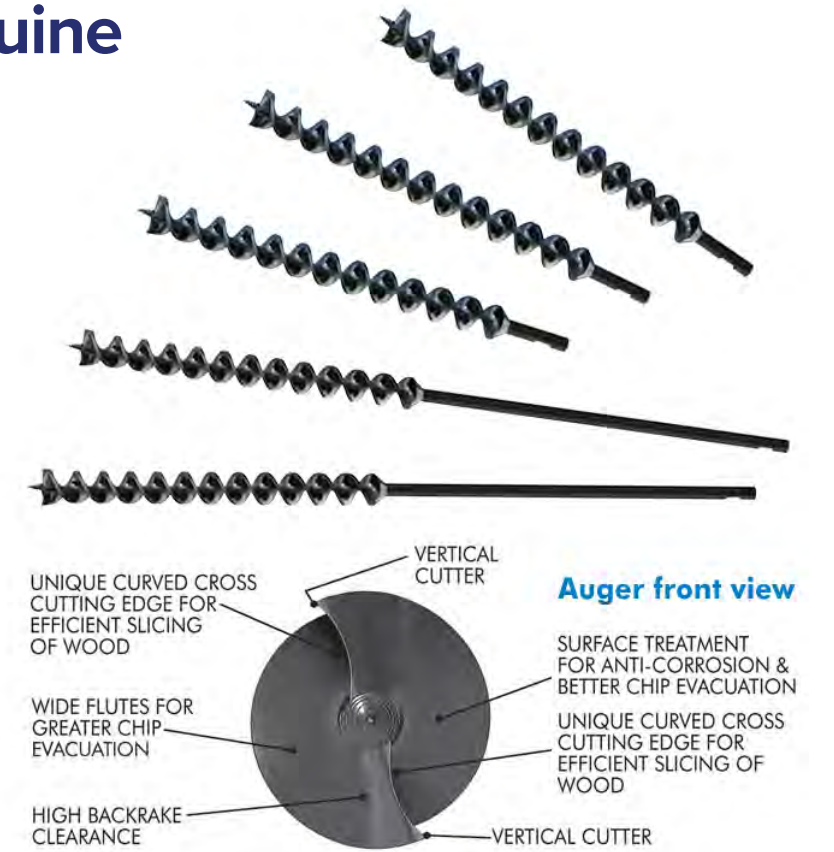

Drill faster, cleaner, and with less effort using Atom Chisel Tip Augers - precision-designed in Australia for the toughest hardwoods. The sharp chisel tip delivers clean entry, faster drilling, and reduced kickback, making every job smoother and more efficient. Compatible with Atom Drillmaster engine drills, they're the go-to choice for those who demand performance. Sharper. Stronger. Smarter. That's Atom.

Australian Made & Owned Outdoor Power Equipment

It has been freaking
unbelievable!

"I recently took delivery of one of your
11mm ATOM auger bits. My goodness
me it has been freaking unbelievable!
Better than anything else I've ever
tried! Thanks again."

- Nathan

The greatest Tiller I have
ever used!

"Atom is the greatest tiller I have ever
used. All the other different brand
tillers I used broke down in quick time.
I have recorded my usage of the Atom
Tiller and it's calculated I have walked
over 300kms (190 miles) tilling with the
ATOM in only one season."

- Paul

Extremely thankful for your
kind help.

"I am extremely thankful for your
kind help finding the part that I would
need to fix my edger and I am really
happy that it all works well now and
I can edge my lawns that I do. You
are a good bunch of people and if I
ever needed an edger again I would
definitely buy it from you guys."

- Michael
