
Needville ESD Committee

29 June 2021

Dear Mayor Dorr and Members of the Needville City Council,

Donald Vandelinder, Keith Thumann and Clay Forister have filed the attached petition for the creation of Fort Bend County Emergency Services District No. 9 (the "District"). The District is proposed for the purpose of funding emergency fire and rescue services in the area. The Commissioners Court of Fort Bend County has accepted the petition and will hold a public hearing to consider whether to grant the petition. Because a portion of the District encompasses the City of Needville's city limits and extraterritorial jurisdiction ("Needville City Limits and ETJ"), the City must consent to the inclusion of this area within the District in order for it to be included in the District. (Texas Health & Safety Code §775.014). This letter serves as a formal request that the City consent to creation of the proposed District and allow the District to include the Needville City Limits and ETJ.

The petitioners respectfully request to be placed on the City's agenda as soon as possible and before July 26th at the latest, under item titled, "Discuss and consider consenting to creation of the proposed Fort Bend County Emergency Services District No. 9."

A map of the District and the metes and bounds description are included in the attached petition.

The petitioners respectfully request that you consent to including the Needville City Limits and ETJ in Fort Bend County Emergency Services District No. 9 by adopting a resolution similar to the attached and approving the request in writing.

Regards,

Mr. Keith Thumann

Mr. Don VanDeLinder

Mr. Clay Forister
