Welcome to the Spring, 2025 Citywide sale. Thanks for your patronage and we wish well to all buyers and sellers.

The overall sale will not be cancelled due to weather conditions, but bad weather could impact some individual sales. The sale is advertised for all days, but the individual sellers set their own hours and days of operation, which we provide to you. Obviously, those hours and days are subject to change, so please keep that in mind.

Each year there are many sales on the Friday before the sale officially starts. This year we are allowing registration for Friday and you will see these new listing here.

We provide registered sellers with distinctive red/white Garage Sale Signs. You will find those listed on the participant's list. There may be many other garage sales that are not listed. The City of Needville sponsors the Citywide Garage Sale so there is no charge for having your address on the list.
