

Unparalleled Regional Economic Impact from the Heart of Louisville

Where Innovation Converges

LOUMED, the Louisville Medical & Education District, is a 22-block powerhouse in downtown Louisville. It is the premier destination where healthcare, higher education, and research intersect to fuel regional growth.

Our Partner Institutions

A Powerhouse of Talent & Opportunity

LOUMED is the region's densest concentration of employment and workforce training, serving as the primary engine for Kentucky's talent pipeline.

26,000 Employees & Students arrive daily

17,000 Employees from 480 zip codes

800,000 Patient Visits from 3,690 zip codes

\$24 million generated in annual occupational taxes

\$1.5 billion in local payroll

Louisville's single largest concentration of high paying jobs.

Growth by the Numbers

TIMELINE	INVESTMENT	IMPACT
Past 5 Years	\$500 million +	New infrastructure, classrooms and advanced medical facility investments.
Projected (by 2030)	\$1.2 billion	Sustained growth, private-sector expansion, and urban revitalization.

LOUMED isn't just a district; it's a catalyst.

By expanding advanced medical capacity and fostering innovation, the district ensures that Kentucky remains a leader in the global healthcare and research economy. What happens in LOUMED does not stay in LOUMED, it lifts families, strengthens communities, and advances economic opportunity across the Commonwealth and beyond.

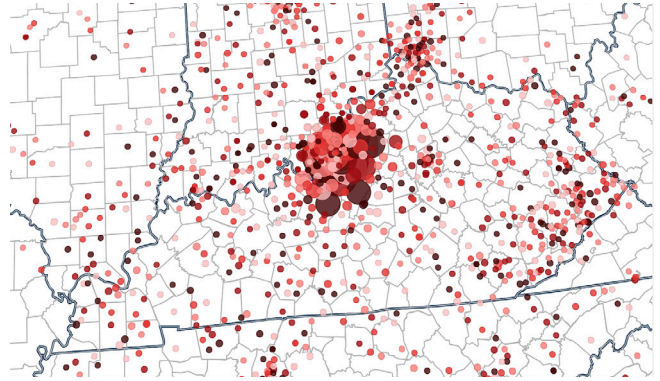

Creating Growth Across the Commonwealth

What happens in LOUMED extends far beyond the district, lifting families, strengthening communities, and expanding economic opportunity across the Commonwealth.

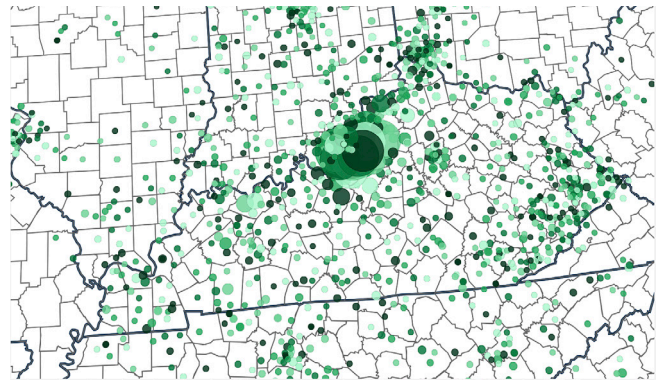

LOUMED Employees

More than 17,000 employees, from 480 different ZIP codes, help power LOUMED every day. Commuting from across the Commonwealth and beyond, this dedicated workforce demonstrates LOUMED's important regional role in healthcare, education, and economic opportunity.

LOUMED Students

More than 8,000 students from 662 different ZIP codes study in LOUMED, making it the region's most important area for training tomorrow's leaders in research and innovation.

LOUMED Patients

Over 800,000 unique patient visits from more than 3,600 zip codes across the nation receive care from the healthcare professionals in LOUMED, making it a national hub for improving lives and preserving wellbeing.
