

Understanding the Times
Worldview Study Course

**Survey the Worldviews
Competing In the
Marketplace
Today**

UNDERSTANDING THE TIMES

Join us for an engaging exploration of the most dominate worldviews competing in the marketplace of ideas today. We will dig into the big questions like, what is a worldview, how does it impact on our lives, and how we can apply it to better understand our surroundings and make informed decisions in our daily lives.

Class begins September 29 | 18 Week Course | Course workbook, textbook and personal journal are included in registration | Spring 2026 registration NOW OPEN | \$740

UTT SURVEY

<https://forms.gle/cxxeaLge6bdCQmtA7>

Before I launch the course Understanding The Times I need your input. I would like to know which schedule outline might work best for potential students. If you are interested in attending would you please fill out this short survey with the days and times that potentially work best in your schedule.

Completing the google form will ensure that everyone that wants to participate is able.
