500 for 500: Educate. Serve. Transform.

Every child deserves to know God's love. Every neighbor deserves a helping hand. Every question about faith deserves a thoughtful answer. Your \$500 annual commitment for 3 years—just \$42 a month—joins with 499 other faithful hearts to create waves of transformation.

What does \$42 look like?

- One dinner out per month
- One less streaming service + a weekly coffee
- The cost of filling up your gas tank once

The ripple effect of your small sacrifice: Your morning coffee money helps build the classroom where a child first learns about Jesus. Your streaming service creates the space where adults discover their faith through OCIA. Your dinner out expands our community.

Marriage Mission Challenge: Couples, make this a team effort! Each partner commits \$500 while competing to find the most creative sacrifices. Share your strategies and multiply the inspiration!

*When small sacrifices meet big hearts, we're not just funding facilities—we're funding hope, knowledge, and God's kingdom growing one neighbor at a time. **Will you sacrifice small to serve big? Join our 500 for 500 mission today.***
