

Family of the Week: Priscilla & Aquila

**"Greet Priscilla and Aquila, my co-workers in Christ Jesus."
Romans 16:3**

Priscilla and Aquila remind us that a family centered on God naturally impacts others. They opened their home, served together, and faithfully used what God had given them to strengthen His Kingdom.

When Christ is at the center of our home, our love, our actions, and our testimony reach far beyond our own family. The legacy we build at home can become a blessing to many others.

FAMILY TIME CHALLENGE

This week, your family will receive a Family Time Card.

Choose a time when everyone can participate, scratch off the matching space, and discover your family's challenge.

Celebrate everything God has done throughout Family Month as you continue building stronger relationships together.

FAMILY CONVERSATION

After completing the challenge, talk about these questions:

- How has God worked in our family this month?
- What was our favorite family moment?
- How can we continue investing in our family throughout the year?
- How can our family be a blessing to others?

Listen to each other carefully. Often, the simplest conversations become the most precious memories.

LET'S BUILD OUR LEGACY

Family Month may be coming to an end, but your legacy is built every single day.

Keep making time for one another, praying together, sharing meals, having meaningful conversations, and serving God as a family.

May what began this month continue to grow and bless future generations.

SHARE IT WITH THE CHURCH

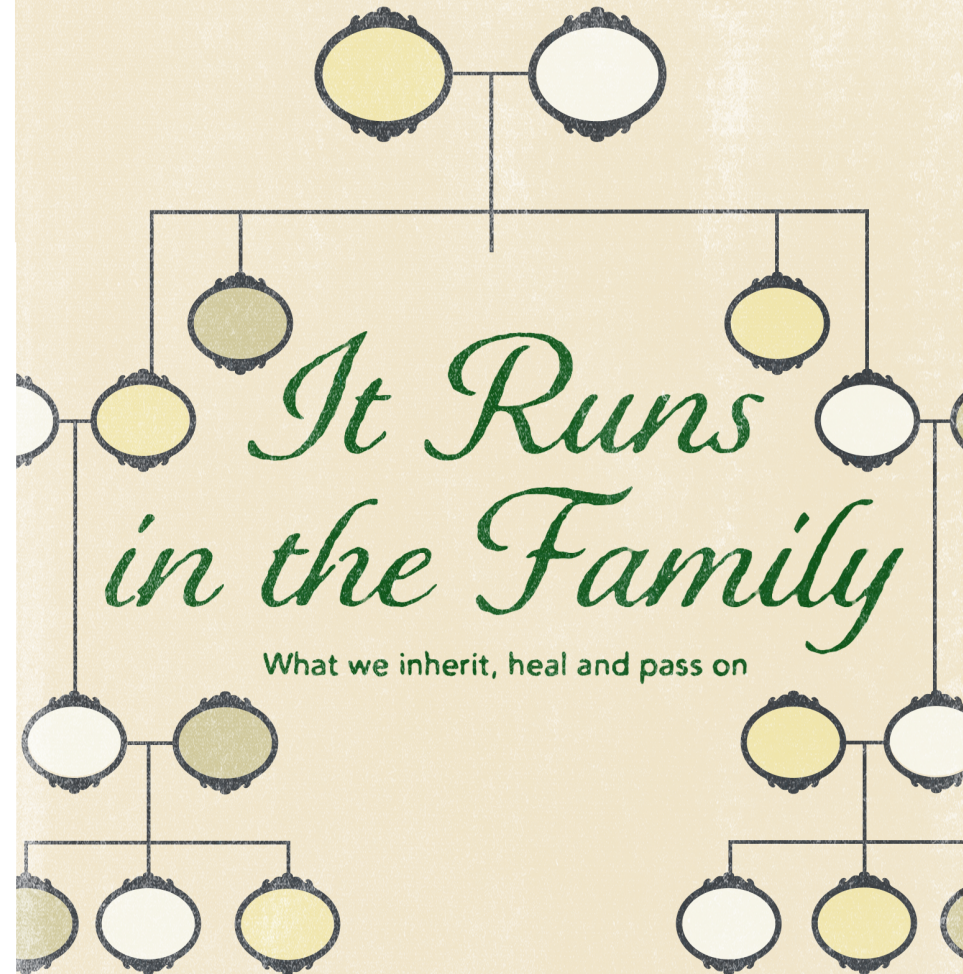

Capture this special moment!

Take a photo or record a short video of the family activity and send it to:

The records received may be displayed during the last Sunday of Family Month, celebrating all that God has done in our families throughout this journey.
