

HERNDON YOUTH SOCCER

TRAVEL PROGRAM & TRYOUT INFO

2026 - 2027

Mission

Produce players of the highest caliber that develop the capability of playing at the highest level while fostering a love and passion for the game.

Vision

Build a nationally-recognized environment that develops players of the highest caliber in the country while shaping complete athletes, leaders, and lifelong lovers of the game.

CORE VALUES

COMMITMENT

Dedication to growth, hard work, and perseverance on and off the field. Players, coaches, and families commit to the process of development, showing up with a positive attitude, embracing challenges, and striving for continuous improvement.

INTEGRITY

Treating teammates and opponents with respect and making the right choices. We foster a culture where accountability and trust shape the character of our players.

LEADERSHIP

Communicating, inspiring, and uplifting others. Taking responsibility for one's actions and working together to achieve success.

POST TRYOUT PROCESS

Players will be notified of their team placement within one week of the final tryout date. Official offer letters will be sent to families through Playmetrics.

To secure a roster spot, families must:

1. Accept the offer in Playmetrics
2. Submit the required deposit
3. Set up a payment plan

Please note that offers expire after 48 hours if they are not accepted.

If a player or family needs additional information before accepting an offer, they are encouraged to contact the coach and/or Technical Director as soon as possible so questions can be answered promptly.

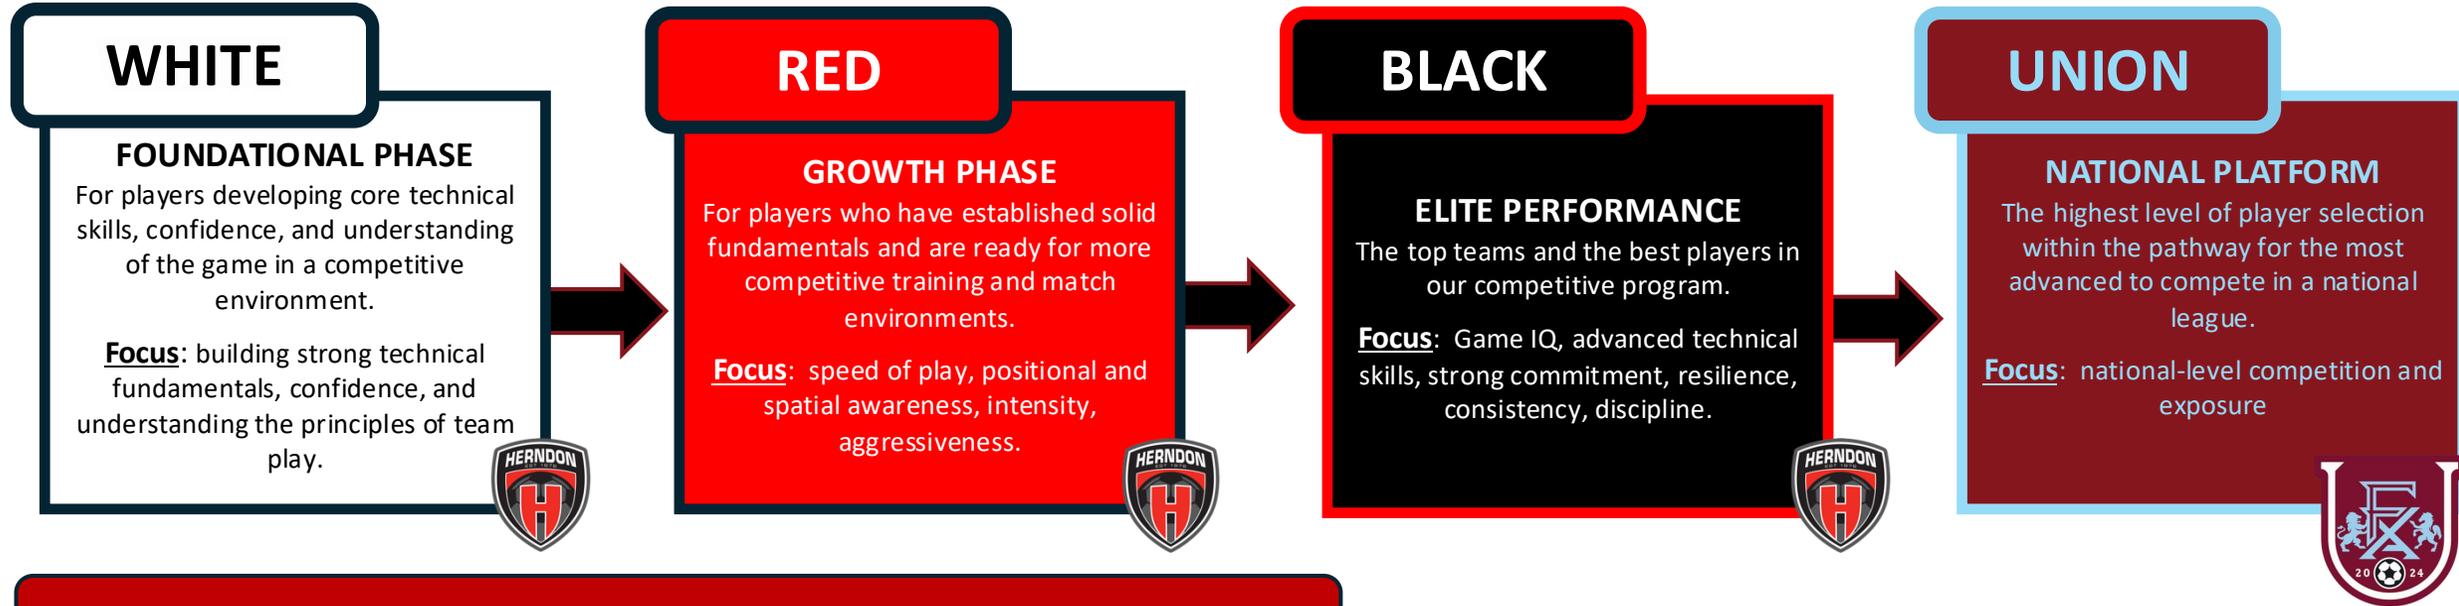

PLAYER SELECTION PROCESS

Player placement is based on a holistic evaluation of each player. Our staff evaluates players across several key areas based on the following criteria:

- Technical ability
- Tactical understanding
- Physical and athletic qualities
- Competitive mindset
- Character and team contribution
- Long-term developmental potential

Final team placement decisions are made collectively by the technical director and coaching staff. Our goal is to place each player in the best developmental environment where they will be appropriately challenged while being able to grow in confidence and creativity to reach their full potential.

AGE GROUP FORMATION

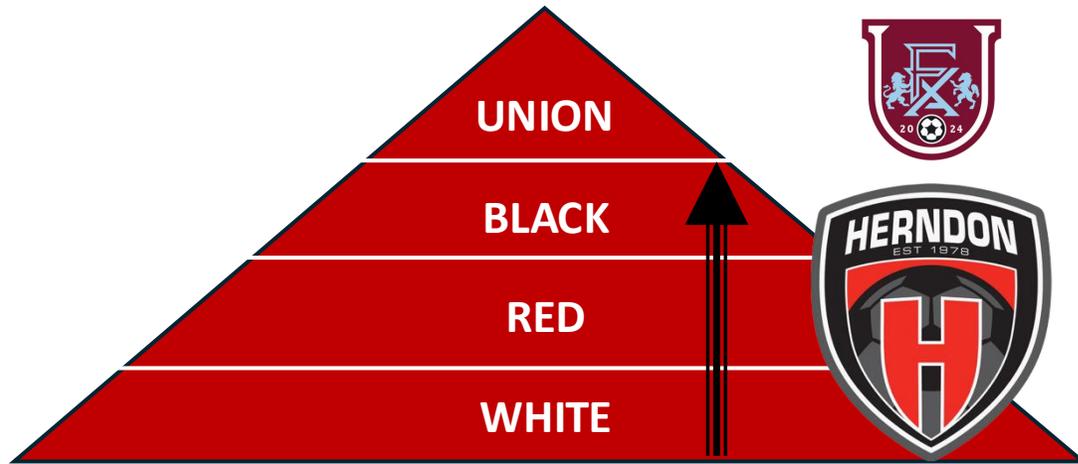

PLAYER SELECTION PROCESS

Player placement is based on a holistic evaluation of each player. Our staff evaluates players across several key areas based on the following criteria:

- Technical ability
- Tactical understanding
- Physical and athletic qualities
- Competitive mindset
- Character and team contribution
- Long-term developmental potential

Final team placement decisions are made collectively by the technical director and coaching staff. Our goal is to place each player in the best developmental environment where they will be appropriately challenged while being able to grow in confidence and creativity to reach their full potential.

COMPETITIVE PLAYER PATHWAY

PLAYER PROMOTION CRITERIA

Our technical staff conducts monthly evaluations of all players to ensure each athlete is placed in the most appropriate and challenging competitive environment for their development. While official team placements occur during tryouts, upward advancement within the program may occur during the season when a player demonstrates a higher level of competition.

Promotion to a higher group is considered when it is clearly demonstrated to be in the best development interest of the player and the team environment.

To be considered for promotion into a higher competitive level within the club, a player must meet all the following criteria :

- 1.The player has attended at least 85% of all training sessions and games.
- 2.The player is consistently giving maximum effort and focus in all training sessions and games.
- 3.The player is demonstrably coachable, respectful, and has a great deal of character and leadership in interactions with teammates and coaches.
- 4.The player is consistently displaying a level of play that is exceeding the level of his current training group.
