LISTEN's critical mission to support the Upper Valley with essential services such as food, heating and housing assistance is funded by individual contributions and grants, and supplemented by the sale of donated goods in our stores.

When you give or shop with us, the proceeds provide the resources we need to offer these services. Our stores offer large, open showrooms and a department store feel with a wide selection of everything from gently-used furniture, housewares, and clothing for the whole family to books, movies, small electronics, and seasonal decorations. Come thrift with us and enjoy the bargains!

Demand for our services is at an all-time high and even further challenged by recent changes in federal programs.

Last year we served 7,469 people in a 30-town service area in NH and VT.

At LISTEN, we are passionate about helping families and individuals secure resources that they need to be safe, warm, fed, and housed. If you live in the Upper Valley and you could use assistance, we are here for you.
