

New Toys for Children of St. Aloysius

St. Aloysius Toy Sale provides a toy shop for families. Fathers and mothers come to shop from a collection of new toys priced \$.50, \$1 and \$2. Parents then gift wrap the toys. This outreach activity enhances the dignity of people as they are given the opportunity to select, purchase, and wrap a toy for their child.

Please join us and help provide the following toys!

- Black baby dolls
- Black Barbie-type dolls
- Jewelry-making kits and play make up kits
- Craft kits
- Infant and toddler toys
- Christmas story books
- Basketballs and footballs (regulation size)
- Nerf Balls
- Typical boy toys like trucks and cars
- Children's puzzles (ages 3-7)
- Board Games
- Legos

Please place your NEW toys to the bin marked "Toy Drive for St Aloysius's Children" in Good Shephard Square or bring to the lunchroom by noon on November 30th.

Sr. Mary Jean Raymond, OSU and the St. Aloysius Parish are very grateful for St. Raphael Parish for helping with this most successful outreach activity.
