

Gifts for Nursing Home Residents

Please help the Guild spread the Christmas spirit by giving a practical gift to a nursing home resident who has no family or few friends.

This year we will be gifting needed items to residents at O'Neill Healthcare Bay Village and Huntington Woods Westlake.

To give a gift please call Anne Straitiff at 440-263-6874 or email her at straitiff@oh.rr.com.

Gift ideas for a specific resident will be emailed to you.
Gifts will be delivered to Anne's home,
NOT to church by December 15th.

Thank you for your generosity!
