

“The Church Bell Chimed ‘til it Rang 29 Times...”

An Evening of Song and Story – Nov 10 at 7 PM

Fifty years ago, on November 10, 1975, the SS Edmund Fitzgerald was lost on Lake Superior, along with all 29 hands onboard. Join us for this evening of music and story honoring the memory of those men, and all who have been lost at sea, especially on the Great Lakes.
