## THE SACRAMENT OF CONFIRMATION

Today we learned about the Sacrament of Confirmation where we are sealed with the gifts of the Holy Spirit and receive strength to live in God's will. Usually, we receive the sacrament of Confirmation as teenagers to signify our full initiation into the Catholic Faith. Receiving Confirmation is a very important step in our faith journey and strengthens our bond with God as the Holy Spirit comes to us in a very special way. But we should know that the Holy Spirit is with us always. So remember when we need help, we can trust the Holy Spirit and Jesus!

## SAINT JOHN VIANNEY

Today we learned about Saint John Vianney who was a priest in a small French town called Ars. Fr. John listened closely to the Holy Spirit and he has a special gift for knowing exactly what to say to people who confessed their sins. Within a few years, thousands had come to Ars just for confession. Fr. John often spent sixteen hours a day hearing confessions and counseling people to be closer to God. He also wrote a famous homily about Jesus' promise that the Holy Spirit would come to help us. Saint John Vianney reminds us that when we need help, we can trust Jesus.

Pray with your child(ren):

Saint John Vianney, you listened to the Holy Spirit and allowed him to lead you. Pray for us that we might listen carefully to the Holy Spirit so we can follow God's will in our words and actions. Amen.
