

ARCHANGEL MINISTRY PUTT-PUTT

Archangel Ministry Putt – Putt Linksters ,

This invitation is going out to those individuals who want to enter the sixth annual archangel ministry putt-putt competition at the picturesque, forest-like, venue at Swings and Things. It is imperative that the putt-putters start practicing their skills at home to fine tune their putting stroke for this major event on the parish calendar. The Champions from last year were Tim Billick and Linda Skaryd. There are two 18 hole courses at our venue. However, the course that we are playing will not be announced until tee time. If possible, bring your own putter and 2 golf balls to the competition. You will need replacement balls in case anyone hits one into the parking lot! If you don't have a putter and two golf balls, the course starter will supply them for you.

Please return the attached registration form to the parish office to confirm your participation in this prestigious event. Registration forms must be received by Friday, September 19, 2025 in the parish office. If you have any linkster questions please contact Dave or Claudia at : 440-871-9029 or email at: david.volosin@gmail.com.
