

FREQUENCIES

Advanced thinkers like Nikola Tesla, Albert Einstein, and many others were united by their belief that everything at its most fundamental level is energy.

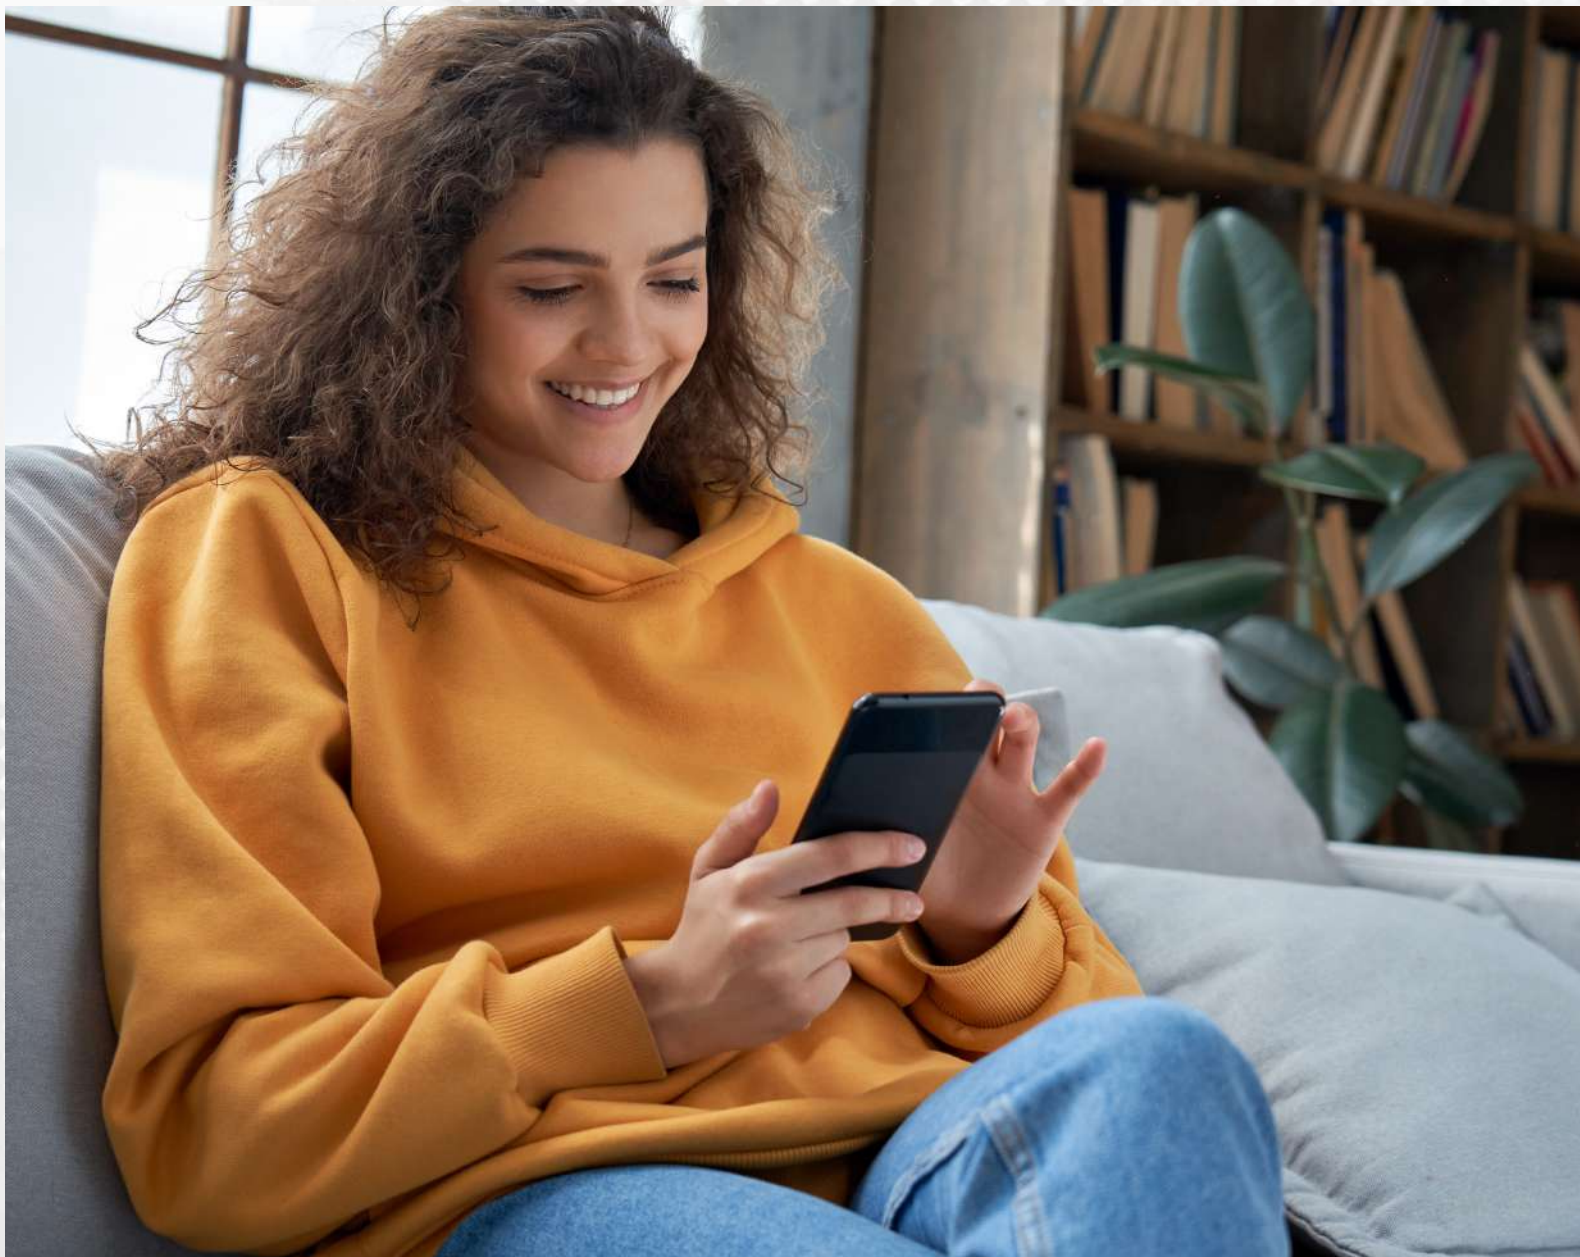

Every cell of the body produces energy, frequency, vibration, and resonance. When these frequencies are in balance, the quality of life is optimized.

WHAT IS AO SCAN TECHNOLOGY

- An educational tool that helps you learn about your body's performance
- Communicates via bio-frequencies and electromagnetic signals
- Identifies areas out of balance to make lifestyle changes
- Advanced technology that's simple and easy to us

8 MAJOR FEATURES

- Quick Scan
- EZ Scan
- Inner Voice Scan
- Vitals Scan
- Body Systems Scan
- Comprehensive Scan
- SEFI
(SubtleEnergy Frequency Imprinter)
- AO MindSync
