COBRA
Concrete Cutting Services

NEW CITY, SAME BITE. COBRA CONCRETE CUTTING NOW SERVING INDIANAPOLIS

NAPTOWN, COBRA HAS ARRIVED

We are thrilled to announce the opening of Cobra Concrete Cutting Services' new branch in Indianapolis, marking a significant expansion of our service area to better serve our valued clients. This exciting development underscores our commitment to safety and innovation, ensuring that we continue to deliver the highest quality concrete and GPR scanning services to the region. Our Indianapolis branch will uphold the same exceptional standards that Cobra is known for, including precision concrete sawing, coring, GPR scanning, and specialty demolition. By establishing this presence in Indianapolis, we aim to foster strong partnerships with local contractors and municipalities, ultimately contributing to the growth and enhancement of the community. We invite potential clients to reach out for tailored solutions that meet their specific needs, and we are proud to offer 24/7 service and immediate response capabilities—features that truly set Cobra Concrete Cutting Services apart in the industry.

EMPLOYEE SPOTLIGHT

Meet Derek Wunder
Business Development-Indiana

As Cobra Concrete Cutting continues to grow in Indiana, we're thrilled to have an experienced industry professional leading our business development efforts. With years of concrete cutting experience and a deep understanding of the construction industry, he knows what it takes to help contractors overcome challenges and keep projects moving forward. From wall sawing and wire sawing to core drilling and demolition, he brings valuable knowledge, strong relationships, and a customer-first mindset to every project. Dereks passion for the industry, commitment to service, and ability to connect clients with the right solutions make him an outstanding addition to the Cobra team and a trusted resource for customers across Indiana.

Please feel free to reach out to Derek for any needs you may have!

Making connections

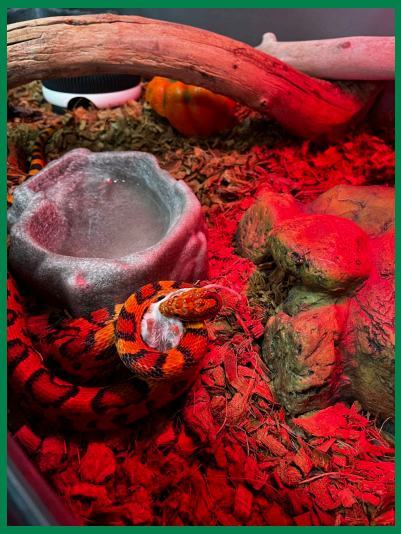

Cobra Valpo and Cobra Indy had the opportunity to meet and connect with some great people at the Michiana Contractors Association golf outing.

COBRA Concrete Cutting recently completed a major wire saw and wall saw project. We successfully removed large reinforced concrete sections for a complex structural modification. Utilizing advanced cutting equipment and experienced operators, the team delivered precise results while maintaining the highest safety standards and keeping the project on schedule. This project highlights COBRA's ability to provide efficient, reliable

solutions for even the most challenging concrete cutting applications throughout the Midwest.

COREY'S CORNER

Cobra takes another bite out of the summer school season!
Another successful summer school season is in the books. A big thank-you to our customers and colleagues for another great summer—we couldn't do it without you!

BUILDING STRONGER COMMUNITIES

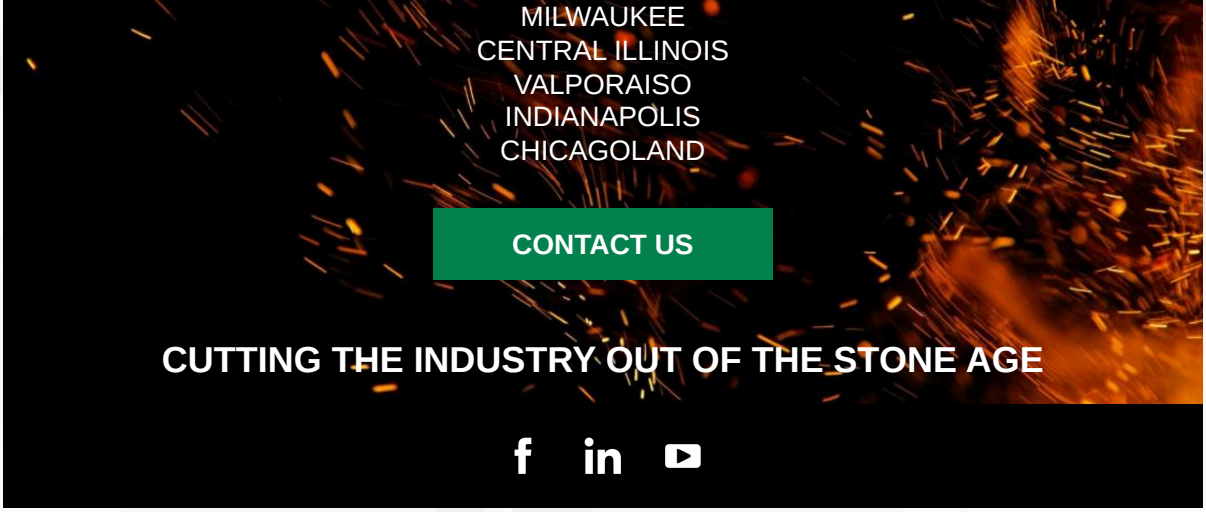

Cobra Concrete Cutting is proud to sponsor this incredible community event, bringing together participants, donors, sponsors, volunteers, and supporters for a day of fun, inspiration, and giving back.
Every step taken, dollar raised, and contribution made helps support Marklund's commitment to providing exceptional care, opportunities, and life-enriching services for individuals with profound disabilities. We are honored to stand alongside Marklund and the community in making a positive difference.

OUR MISSION

To revolutionize the concrete sawing and drilling industry through our innovation and attitude, provide a level service and passion that our customers, our employees and our community desire to experience
