Where would you place the applicant's current performance in MATH?

_____ Below Grade Level
 _____ On Grade Level
 _____ Above Grade Level

Please comment on the following:

What are the academic strengths/weaknesses of the student?

Do the parents participate in the student's education and do they address concerns in an appropriate manner?

To your knowledge, has the applicant been tested for learning disabilities, received psychological counseling, or prescribed medication for hyperactivity/emotional disorders? If so, please explain. If no, should they be?

If you have any other comment or information that might be helpful, please continue on a separate page and include with this document.
