

FAMILY Retreat

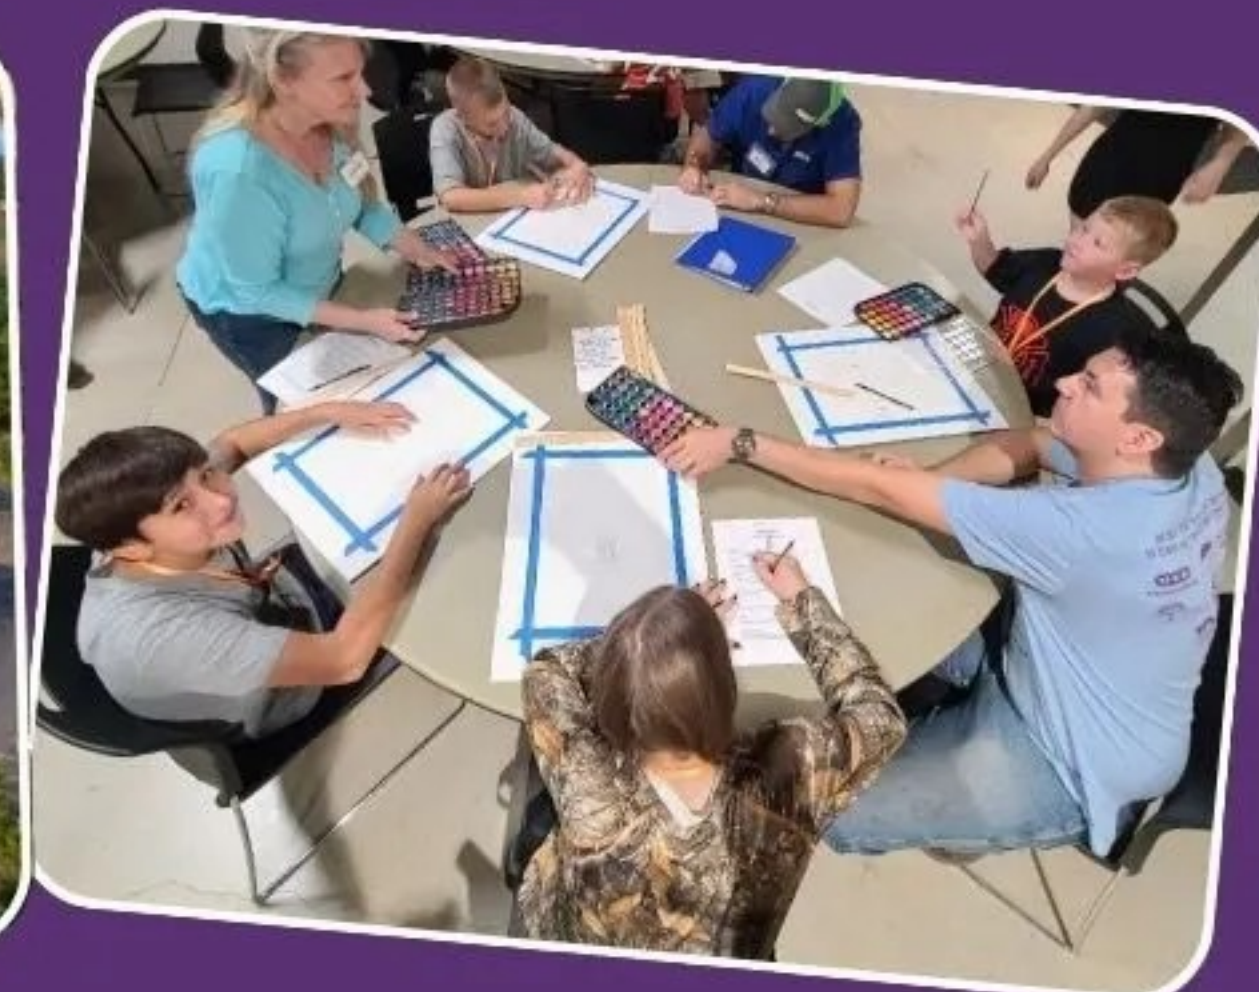

OCTOBER 24-26 2025

FALL FAMILY GRIEF RECOVERY RETREAT

In light of the recent catastrophic flooding events in our region, we are increasing the number of openings for our family retreat this Fall. This free overnight therapeutic weekend is for the entire family unit. Families will find adventure, comfort, hope, and healing while making friends with other families who are also healing from the loss of a loved one. Families navigate the grief process together by engaging in side-by-side, hands-on activities with both large-group and individual therapeutic opportunities. With 25 years of grief recovery support behind us and proven therapies that give hope and comfort to hurting hearts, we cherish the opportunity to walk beside those who are hurting. Our Grief Recovery Family Retreat is held in partnership with Morgan's Camp, conveniently located in the North San Antonio area.

* Toddler care is provided when needed

This service is provided at no cost to the families. A suggested donation of \$2,500 will sponsor an entire family.
