

Post Your Deck on Facebook - Earn Rewards!

(Cash—Gift Cards—More Cash)

We loved working on your deck — and now we'd love your help spreading the word!

Here's how our new Referral Rewards Program works:

- Every post enters you into our quarterly \$500 cash drawing. Post more—get entered more.
- \$400 when a friend hires us for a brand-new deck construction after seeing your post.
- \$200 when a friend books a staining/repair job after seeing your post.
- \$25 Gift Card (Home Depot, Amazon or local restaurant) when you publish a Facebook post recommending Virginia Decking's services to friends and neighbors, highlighting the work we completed for you and what you appreciated most. Here is an example: *"Love our new deck! Virginia Decking made it solid, beautiful, and built to last. They also made the whole process easy."*

Simple Rules:

- Take a photo of the work we did, or better, take a short video of the work. Be sure to step into the frame so your friends and neighbors can see you enjoying what we did for you.
- Tag Virginia Decking in your post by typing "@Virginia Decking" and selecting our official page.
- Add: *"I received a thank-you gift from Virginia Decking for sharing this."*
- Keep your post live for at least 30 days.
- Send us a screenshot or link to your post so we can verify your tag.

The more you share, the more you can earn — **there's no limit!**
