In memory of

Thomas F. Sullivan

From the Pastor

Brothers and Sisters,

This month is Respect for Life Month. I have never been a fan of themed months, as causes that are good, beautiful and true should be engaged at all times. This is certainly true when it comes to the issue of human life.

Historically, humanity has made progress on this front, in large part due to the Judeo-Christian faith. In pagan societies, for example, people believed that some humans were ontologically better than others, based upon the god who created them and the materials from which they were created. But the Judeo-Christian faith claims that there is only one God, and this one God made each human person from the same earth (Gen 2:7). The radical claim is that every person was made by the same God, and from the same material, thus providing the same dignity to every person.

While this idea of the dignity of every person has impacted humanity, it still remains to be fully implemented. This year, the US Bishops draw our attention to abortion pills. These pills are the means by which most abortions in the US take place. Many times these pills can be obtained without a doctor's consultation. This creates a situation that not only makes abortion easier, but also increases the chances of women and girls being exploited by abusive partners or sex traffickers.

As Catholic Christians, we are called to uphold the truth about human life, which is that its dignity comes not from what someone can or cannot accomplish, not from a person's quality of life, but from the fact that they are made in God's image (Gen 1:27) and that God has breathed his spirit into them (Gen 2:7). We must actively engage in evangelizing the world with the Gospel of Life so that all human life may be respected.

Peace,

Fr. Brian

Dearest St. Joseph, at the word of an angel, you lovingly took Mary into your home. As God's humble servant, you guided the Holy Family on the road to Bethlehem, welcomed Jesus as your own son in the shelter of a manger, and fled far from your homeland for the safety of both Mother and Child.

We praise God that as their faithful protector, you never hesitated to sacrifice for those entrusted to you. May your example inspire us also to welcome, cherish, and safeguard God's most precious gift of life.

Help us to faithfully commit ourselves to the service and defense of human life —especially where it is vulnerable or threatened. Obtain for us the grace to do the will of God in all things. Amen.

Thank you to everyone who volunteered to make our Parish Work Day a success.

Our parish runs on volunteers, and your efforts not only boil up community, but also help to sustain our parish.
