180 HUNTER STREET WEST

PETERBOROUGH, ONTARIO

WELCOME TO THE 2025
LAKE SHOW

PRESIDENT'S MESSAGE

We're thrilled to kick off another exciting season of Lakers lacrosse and welcome back our GREAT Lacrosse FANS. With a seven team league, fans can look forward to a highly competitive season of action-packed games. This year's regular season includes 18 games - nine home games and nine on the road - setting the stage for a thrilling return to the classic playoff format where the top four teams will battle it out for a shot at the Mann Cup.

The road to the Cup won't be easy. The Mann Cup will be hosted by the WLA Champions this year. Teams like Victoria are stacking their rosters with top-tier talent in hopes of capturing a championship on home soil. Closer to home, Six Nations are reloading with ambitions of making a third consecutive run, aiming to match Peterborough's legendary streak of four consecutive Mann Cup wins. The competition is fierce - but so are we.

On the home front, we've been hard at work rebuilding and strengthening our lineup. One of the standout additions is 6'4", 215 lbs defenseman Payton Tasse. Also bolstering our defensive core is veteran goaltender Nick "Rosie" Rose, who brings a wealth of experience between the pipes. Rosie has been out of the MSL for a couple of years but has continued to play in the NLL with the Rock and most recently the Calgary Roughnecks. Other exciting players to watch for are Nick Crowley, Frank Coyle, Cole Gervais, Chris Harland, Michael Blaymires, Cole Begley, Caleb Connell, and Nick DiLauro, all acquired through our protection list and recent draft picks. Be sure to keep your eyes on our website and Facebook for updates on players and MSL happenings.

Off the floor, we're pleased to welcome Pete Dalliday as our new Director of Community Engagement and Partnerships. His passion for the game and deep connection to the community make him a perfect fit for the Lakers organization. We would also like to take a moment to recognize and thank a true legend - John Grant Sr. who has retired from our Board of Directors. John's lifelong dedication to lacrosse, from the grassroots to the Senior A level, has left an indelible mark on the sport. Thank you, John - you have set the bar high, and we are grateful for everything you have given to the game. We have welcomed Cory Vitarelli as our newest board member and look forward to working with him, as he brings young, fresh blood to the board.

To all our incredible volunteers: thank you! Your dedication and love for lacrosse has been the heartbeat of this organization. Many of our volunteers have been with the Lakers for over fifteen years. Congratulations to Rose Powers, our 2024 Volunteer of the Year.

Our gratitude also goes out to our loyal sponsors. We're excited to welcome new sponsors, Smitty's Restaurant and Kawartha TV & Stereo, aboard and are deeply thankful to Century 21 and our many returning sponsors for their continued support. Trent Valley Honda has been a Laker sponsor for forty years and celebrates its 50th year in Peterborough - Congrats! Be sure to check out our full sponsor list in the program and on our website.

Our fans are most deserving of our gratitude. You bring the energy, passion, and noise that makes each game unforgettable. You truly are the best fans a team could ask for.

This season, we must remember three beloved members of the Lakers family who recently passed away. Carl Oake and Century 21 became the major sponsor of the Lakers in 2015. Carl was not only committed to the Lakers but also his community. Longtime fan Roy Bateman, always ready with a smile and high-five outside the dressing room, will be dearly missed. We also say goodbye to Roger Fowler, a behind-the-scenes volunteer who supported the team for many years. Rest in peace, Carl, Roy and Roger.

As we set our sights on bringing the Mann Cup back to Peterborough, I can't wait to see you at the arena.

A handwritten signature in black ink, appearing to read "Ted Higgins".

"OUR COUNTRY, OUR GAME"

Since it opened in 1997, the Ontario Lacrosse Hall of Fame & Museum's mission has been to recognize and celebrate the historical, cultural, and athletic contributions within the Ontario Lacrosse community; as well as to provide educational information and resources about the game and its rich history. Canada's National Summer Sport is recognized with featured displays and permanent exhibits.

EXPLORE

Discover the origins of North America's oldest sport, explore the early history of field lacrosse, learn about lacrosse as it is today – the different forms of the game from Box Lacrosse to Men's and Women's Field Lacrosse.
