Everyone deserves a place to *feel important*

At the Boys & Girls Clubs of the Chattahoochee Valley, every child is valued, celebrated, and reminded that they are important and special. We do this by encouraging their unique talents, listening to their voices, and supporting them with caring mentors who believe in their potential. 

THIS IS IMPACT.

During the 24–25
fiscal year we served
89,680 hot, nutritious
meals and over
60,000 snacks.

Proud Partners

The year in review

The Boys & Girls Clubs of the Chattahoochee Valley is proud to reflect on an incredible 2024-25 year filled with impact, growth, and opportunity for the youth we serve. Over the past year, our Clubs provided safe spaces where young people discovered their potential, built lasting friendships, and gained the support of caring mentors. We celebrated the achievements of our members through programs that strengthened leadership, encouraged academic success, and inspired service in our community. Together with our partners and supporters, we reached milestones that reminded us of the importance of our mission and the power of investing in the next generation. As we look ahead, we are energized and prepared to embrace the challenges and opportunities of the 2025-26 fiscal year, continuing to build on this momentum and create Great Futures for every child who walks through our doors.

Summer Highlight

Our summer camp included a film camp with teen created results on our social media channels and website.

Winter Highlight

Youth of the Year 2025 is an annual event highlighting our Club members and honoring Will White's service to youth. The theme "Illuminating Tomorrow" set the stage for the upcoming 2025-26 "Columbus Needs Club Kids" campaign.

Autumn Highlight

The Upatoi Polo Cup for this fiscal year introduced the "Little Chef-Big Chef" competition. This was successful and will help reinforce our workforce development initiatives.

Spring Highlight

We rebranded the Women's Giving Circle to Women's Creative Collective and held a luncheon to support arts. Bringing this back has sparked new creativity in the area of fine arts in the clubs.
