

CARING. COMPASSIONATE. COMMITTED.

Roman Eagle Rehabilitation and Health Care Center has distinguished itself as a recognized leader in providing short and long-term skilled nursing care and specialized rehabilitation services in a safe, comfortable, home-like environment for nearly a century. We are a not-for-profit, charitable organization that strives to offer the highest quality care at the lowest possible price.

Professional physical therapists, occupational therapists, speech pathologists, and assistants provide specialized rehabilitative services that will assist the residents in achieving and maintaining their highest level of self-care and well-being. The rehabilitation department features spacious, private rooms and offers the latest equipment including an aquatic therapy pool. We are one of the first in Virginia to utilize the latest computer technology in speech and cognitive therapy treatments.
