

Recipe Card Tea Towel

Becka Rahn

Students need to bring to class:

- A laptop or tablet with up-to-date web browser. You should know how to connect to wifi and be able to download and save an image to your device. If you don't have a portable device, the instructor has several Chromebooks you may borrow for class.
- A hand-written recipe on a standard 5x3 recipe card. This can be vintage or new; color or black and white. If you don't want to use a recipe, it can also be a hand-written message (ie note from a kid, quote, or poem) on a standard recipe card sized paper. If you have any questions about the original art you want to use, please reach out to the instructor BEFORE class starts (teacher@beckarah.com).
- We will go through all of the steps to set up your file and upload so it's ready to print, but we will not be printing them as part of class. You have the option to order a tea towel/fabric on your own.
