The IPAS Annual Scholarships are awarded to deserving students presently enrolled in an approved in-state Physician Assistant Program. Recipients shall receive \$1,000 scholarships based on certain selection criteria.

The following criteria are used to evaluate each applicant's package. A total point system is used to award the three scholarships after the applications have been reviewed by the Scholarship Committee.

- Applicants must be currently enrolled in an approved in-state Physician Assistant Program.
- Applicants must have achieved an outstanding academic record as an undergraduate.
- Applicants must demonstrate strong leadership capacity, a thorough understanding of the Physician Assistant concept, and show overall professionalism.
- Student recipients of IPAS' Annual Scholarship can use the funds received in ways deemed most suitable to them.

Student applications must include the following:

- Completed scholarship application
- Photocopy of official transcript(s) from his or her previous college/university.
- A one-page narrative adding anything the student feels will aid the committee's decision.

### **Applications are evaluated according to the following:**

***Leadership*** *20 pt. Maximum*

Demonstrated in school, community activities

***Professionalism*** *20 pt. Maximum*

Demonstrated in prior medical experience, training, community activities

***Academic Achievement*** *20 pt. Maximum*
