Let's turn coffee and dessert into hope and transformation – one gathering at a time.

Kennedy's Connection's— is a gathering that brings together friends, family, church members and neighbors to learn about the work of Because of Kennedy and support the families in Ethiopia.

Hosting a Kennedy's Connection's is simple and meaningful:

- **Bring people together**—invite your friends, bible study group, neighbors, or colleagues for a small gathering.
- **Share our story**—we happy to join you or provide all the materials and guidance you need to host the event.
- **Create impact**—your event will help raise awareness and support programs that transforms lives.

Whether it's a casual coffee & dessert, a dinner, or a small virtual gathering, your hospitality can inspire hope and generosity. We'll provide everything to make hosting easy, fun, and impactful.
