The 2026 Catholic Ministries Annual Appeal has begun!

The Diocese of Joliet invites all parishioners to support the 2026 Catholic Ministries Annual Appeal (CMAA). Together, we can make a profound difference.

This year's theme is *Beyond all Expectations: Faith that Elevates!* Through the CMAA, we ensure Christ's mission and ministries reach everyone. We provide shelter for the homeless, feed the hungry, support vocations, and educate the next generation of Catholics. Our parish cannot accomplish this alone. As a diocese, we can do so much more.

Our parish goal is **\$54,200**. We receive 70% of any amount raised over goal to use within our parish. Please review your mailing from the Diocese of Joliet and prayerfully consider your gift.

If you do not receive a CMAA mailing, please contact the parish office. Thank you!

FEAST OF THE STIGMATA OF ST. FRANCIS OF ASSISI

Almighty God,

You renewed the marks of the sufferings of your Son in the body of our holy Father Francis in order to inflame our hearts with the fire of your love. Through his prayers may we be made conformable to the death of your Son and thus share also in his resurrection.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

St. Francis of Assisi, Pray for us!

Reflections on the Stigmata of St. Francis

The Greek word stigma means "a scar left by a hot iron: brand," according to Merriam-Webster's Collegiate Dictionary (Eleventh Edition). Stigmata—the plural form of the same Greek word—can also mean "bodily marks resembling the wounds of the crucified Christ." This provides a basic background for understanding the mysterious phenomenon of the stigmata in Christian history.

I begin my reflections on the mystery of the stigmata by confessing that the first person I think of as having such bodily marks, apart from Jesus, is St. Francis of Assisi, who died in 1226. As the founder of the Franciscan Order, St. Francis is certainly a primary shaper of Franciscan spirituality. St. Francis, therefore, is a preeminent focal point in helping us contemplate the meaning of the wounds of Christ and of his own wounds and thus to come to a Franciscan understanding of suffering.

The Crucified Christ Appears to Francis

On two separate, dramatic occasions, Francis had a vision of Jesus, wounded in hands, feet and side, suffering on a cross. If we look carefully at the two visions, we will see them as closely interrelated. Both visions are described in St. Bonaventure's Life of St. Francis. It's helpful to remember that Bonaventure, as a Franciscan theologian

and spiritual writer, often described God as a God of overflowing goodness and love.

The first vision happened to Francis shortly after his conversion from a rather worldly life. After that experience, Bonaventure tells us: "One day, while Francis was praying in a secluded spot and became totally absorbed in God through his extreme fervor, Jesus Christ appeared to him fastened to the cross. Francis' soul melted at the sight, and the memory of Christ's passion was so impressed on the innermost recesses of his heart that from that hour, whenever Christ's crucifixion came to mind, he could scarcely contain his tears and sighs."

Bonaventure points out that from that time on Francis began "rendering humble service to lepers with human concern and devoted kindness He visited their houses frequently, and generously distributed alms to them and with great compassion kissed their hands and their mouths."

Francis' Vision on Mount La Verna

About two years before his death, St. Francis had a second vision of Christ fastened to the cross. Here is how St. Bonaventure sets the scene in his Life of St. Francis: "On a certain morning about the Feast of the Exaltation of the Cross [September 14], while Francis was praying on the mountainside, he saw a Seraph with six fiery and shining wings descend from the height of heaven. And when in swift flight the Seraph had reached a spot in the air near the man of God, there appeared between the wings the figure of a man crucified, with his hands and feet extended in the form of a cross and fastened to a cross. Two of the wings were lifted above his head, two were extended for flight and two covered his whole body.

"When Francis saw this, he was overwhelmed and his whole body was flooded with a mixture of joy and sorrow. He rejoiced because of

gracious way Christ looked upon him under the appearance of the Seraph, but the fact that he was fastened to a cross pierced his soul with a sword of compassionate sorrow."

This is a good place to say a word about the Seraph. Seraphs are those angels closest to God, burning with love as they bow before the Most-High God, shouting "Holy, holy, holy!" (See Isaiah 6:2-3.) Their fiery wings, as depicted here, suggest the flaming intensity of God's love that Christ communicated to Francis, which in turn, set Francis' heart afire. The word seraphic is often used to describe Francis' passionate style of relating to God and is often applied to the whole Franciscan Order, which is sometimes called the Seraphic Order.

The Meaning of the Stigmata

As suggested earlier, St. Francis is an important key for us in unlocking the meaning of Christ's Stigmata. September is a good month to contemplate the meaning of the Stigmata for any of us who consider ourselves followers of St. Francis. As many of us know, Franciscans celebrate the Feast of the Stigmata of St. Francis of Assisi each year on September 17, which is an estimated date of his receiving the wounds of Christ at Mount La Verna in 1224, two years before his death.

When St. Francis saw in his vision of the Crucified Christ the incredible outpouring of God's love upon him, he was inspired to respond with the same kind of overflowing love. We too contemplate that vision and try to respond in the same spirit.

DISCIPLES MAKING DISCIPLES

Ash Wednesday is on Wednesday, February 18, 2026. Plan on joining us for one of the following Lenten courses by signing up on SignUpGenius today which can be found on the parish website: holyghostparish.org. Contact Susan: 630-860-3691 or stutaj@holyghostparish.org with questions.

BIBLICAL WALK THROUGH MASS: Sunday 7pm Virtual (starts 2/22; Monday 10am Room 9 (starts 2/23) ; Wednesday 7pm Room 9 (starts 2/25)

This course is a scriptural tour through the prayers, hymns and rituals of the Mass. Almost every part of the Mass finds its inspiration in Scripture. The more we understand the biblical background, the more we will be able to enter into all we do and say at Mass. No matter your age, I guarantee you will learn something new!

"Everyone would benefit from experiencing this course to deepen their understanding of the mass."

"The videos were great, very energizing, very informative."

"This course has caused me to think more about all that is happening during the Mass and to participate more fully. It would be wonderful if all parishioners understood the significance of the actions and prayers in the Mass."

THE RESCUE PROJECT: Monday 7pm Room Koinonia Room (starts 2/23); Tuesday Noon Room 9 (starts 2/24)

All adults and teens are invited to join us in discovering their faith story. The Rescue Project is led by Fr. John Riccardo. Each video session is followed by reflection questions that can be discerned by the group or privately. The Rescue Project makes the gospel repeatable and accessible; calls out the enemy; that Jesus is unconquerable; integrates the Sacraments in the context of the gospel; clarifies the mission of Jesus and His disciples; and is rooted in early Church preaching.

"Do it, you'll love it!"

"The videos were very informative and engaging, The discussions in class felt open, honest and authentic and not at all intimidating which made it easy to participate." "Rescued People Rescue People"

READY TO GET TO WORK ON THOSE RESOLUTIONS?

We are in a National Blood Shortage

The next Holy Ghost Blood Drive is Sunday, Feb.15 after Sunday masses.

Every two seconds, someone in the world needs blood. Whether due to surgery, trauma, cancer treatments, or chronic illnesses, there is a constant need. This is why donating blood is one of the most impactful and selfless acts a person can do. And one donation can help 3 lives!

If, in the past you were told you cannot donate, it's likely you can now!

Certain blood types and genetic markers common in people of European heritage may better match to local patients with similar heritage.

Also you can donate if you have high blood pressure or diabetes, as long as your blood pressure and blood sugar are well-controlled.

Donating blood has health benefits for you, the donor, too. It can provide a free mini health check (automatic cholesterol for free) and foster a sense of community. It's a simple process that only takes about 40 minutes, including the pre-check and rest/snack period after.

Minimum age: 17 years or 16 with parental consent

Minimum weight: 110 pounds. Females, see chart.

You must have a good breakfast, be feeling well, not taking antibiotics, have no fever and a blood pressure under good control. You will be asked several confidential health and lifestyle questions, which protect you as a donor and the recipient of your blood. You will be asked about recent travel, certain medications and vaccinations.
