Our Values

The principles that guide every project we undertake

At Tiberius Smith Construction, our values aren't just words on a page—they're the foundation of how we operate daily. These core principles guide our decisions, shape our work culture, and define our relationships with clients and partners.

01

EXCELLENCE

We pursue perfection in our craft. Every nail, joint, and finish reflects our commitment to exceeding industry standards and creating homes & remodels of lasting quality and beauty.

02

INTEGRITY

Honesty forms the cornerstone of our business. We stand behind our work, maintain transparency in all dealings, and always do what's right—even when no one is watching.

03

ACCOUNTABILITY

We take ownership of our projects completely. When we make commitments, we honor them without exception, taking full responsibility for delivering on our promises.

04

INNOVATION

We embrace forward-thinking solutions. By combining traditional craftsmanship with modern techniques and sustainable practices, we deliver homes that are both timeless and contemporary.

Our Process

01

Initial Consultation

We assess your needs, vision, budget considerations, and timeline expectations. This comprehensive briefing forms the foundation of our project strategy.

02

Design Development

Your architectural plans are reviewed for constructability, with engineering consultations and material selection advice to optimize your design.

03

Detailed Planning

We create comprehensive schedules, finalize all permits, establish quality control checkpoints, and lock in material orders to prevent delays.

04

Quality Construction

Our team executes according to strict quality standards with regular milestone inspections and engineering certifications at critical phases.

05

Transparent Updates

You receive weekly documented updates with site photos, schedule tracking, and upcoming milestones through our client communication system.

06

Thorough Handover

Final inspections, systems demonstrations, warranty documentation, and maintenance instructions ensure a smooth transition to enjoying your new home.

Why Choose Us?

Measurable advantages that set us apart

The difference in choosing Tiberius Smith Construction becomes evident in the tangible benefits our clients experience.

Industry Leading Quality Scores

Our completed projects consistently achieve 96% or higher on independent quality assessments, significantly exceeding the industry average of 82%. This translates to fewer maintenance issues and longer-lasting finishes.

Proven Schedule Adherence

Over the past five years, 94% of our projects have been completed on or ahead of schedule—compared to the industry standard of completing only 60% of projects on time. Your move-in date is a commitment, not a guess.

Transparent Fixed Pricing

Our comprehensive proposals have resulted in less than 5% average cost variation across our last 50 projects. Our thorough planning process means you won't face unexpected budget increases mid-construction.

Exceptional Client Satisfaction

We maintain a 4.6/5 client satisfaction rating, with 90% of our business coming from repeat clients and referrals. Our commitment to your experience continues long after construction ends with responsive after-service care.

Our Capabilities

Comprehensive building expertise to bring your vision to life

Tiberius Smith Construction delivers exceptional results across diverse construction disciplines. Our versatile team brings specialized knowledge to every project, ensuring superior craftsmanship regardless of scale or complexity.

Custom Homes

We create distinctive residences tailored to your specific vision and lifestyle, delivering exceptional craftsmanship and thoughtful details throughout.

Major Renovations

Transform your existing home with comprehensive renovations that modernize spaces while preserving character elements and minimizing disruption.

Home Extensions

Add valuable living space with expertly constructed extensions that seamlessly integrate with your existing home for a cohesive result.

Luxury Kitchens and Bathrooms

Elevate your most important spaces with premium materials, custom cabinetry, and precision installation for stunning, functional areas.

We are so pleased with the quality and service of Tiberius Smith Construction. Everything was done to perfection from start to finish.

Meet The Team

The passionate experts behind your successful build.

Our dedicated team brings together decades of combined experience in residential and commercial construction. Each member is committed to exceptional craftsmanship and ensuring your project succeeds from concept to completion.

Brett Parker

Team Leader, Wood magician, Coatings expert, Surface artist.

Brett's been with us over two years and is the force behind our field operations. He runs crews, controls quality, and keeps every project locked in and moving forward. Calm under pressure, sharp in execution, and relentless about doing things right — Brett sets the standard.

Brandon Wall

Journeyman Training in Woodcraft, Surface art, and coatings

Brandon is quiet, focused, and deadly accurate with his craftsmanship. No noise, no ego — just consistent, high-end work. He shows up, locks in, and delivers results that speak for themselves.

Keystow Sawyer

Surface coatings specialist, training in Woodcraft and Surface arts

Keystow is our paint coatings specialist with elite skills and big energy. Fast, precise, and fearless with color, he'll paint anything you put in front of him — and make it look incredible. If perfection had a paintbrush, it would be his.
