

What's all the buzz? Kids learn about birds, butterflies and pollination at library event

Crystal Vander Weit

Twins Oliver, left, and Lincoln Johns, 5, of Port St. Lucie, stand as flowers while waiting for children acting as pollinators to pick up nectar and pollen during the Birds and Butterflies! event for kids at the Hoke Library on July 23, 2025, in Jensen Beach. The event was hosted by Explore Natural Martin program. The program focuses on environmental stewardship, responsible outdoor recreation and education.

Explore Natural Martin hosts a Birds and Butterflies! event for kids at the Hoke Library on Wednesday, July 23, 2025, in Jensen Beach. Children learned about birds, butterflies and pollination. The Explore Natural Martin program focuses on environmental stewardship, responsible outdoor recreation and education.
