

# Save the Date! The 5th Annual Garden Expo Bigger & Better Than Ever!

Save the Date!  
The 5th Annual Garden Expo  
Bigger & Better Than Ever!  
Saturday, March 7, 2026  
9 am - 3 pm

## \*NEW LOCATION\*

Memorial Park  
300 SE Ocean Blvd, Stuart, FL

**T**he Jensen Beach Garden Club's much-loved Garden Expo is growing — literally! Now in its 5th year, the popular spring event is moving to Memorial Park in downtown Stuart, offering more space, more food trucks, and more fun than ever. Visitors can enjoy free parking, an easy shuttle service, and free raffle prizes every hour throughout the day.

With over 40 plant and garden vendors, this year's Expo will showcase the best local vendors offering lush tropical plants, native species, vibrant orchids, and unique finds like bonsais, herbs, and outdoor art. Stock up on gardening supplies, learn from live presentations, and enjoy hands-on demos. It's a fun and educational day for all plant lovers, from beginners to seasoned pros! Presenters include sessions on succulents, vegetable gardening, anthuriums and everything you wanted to know about the C-44 Reservoir and Storm Water Treatment Area. It's a full day of shopping, learning, and celebrating everything green and blooming.

More than just a garden show, the Garden Expo helps the community

grow, too, thanks to the many sponsors and volunteers. One hundred percent of Expo proceeds fund college scholarships for local students pursuing horticulture and environmental studies, as well as camperships for children attending the Florida Oceanographic Society and Environmental Studies Center summer programs. The Club also supports Junior Master Gardener programs and the House of Hope Community Gardens.

"This event has truly blossomed," said Dana von Rinteln, JB Garden Club President. "Each year we see more people discovering the joy of gardening, learning from our experts, and taking home something beautiful." Don't miss this incredible day of plants, community, and fun—see you at the Expo! Follow the Jensen Beach Garden Club on Facebook and Instagram, or visit
