

WEE UNICORN

One bright and sunny day Wee Unicorn was out for a walk, but everywhere she turned she found a creature who was unhappy. Wee Unicorn took the time to listen to each of them.

Someone has built their nest on my favourite branch.

I understand how disappointed you are.

I was up all night collecting nuts for winter. I'm worried I won't have enough.

That must be very tiring.

They said only two can play this game.

It's horrible to feel left out, isn't it?

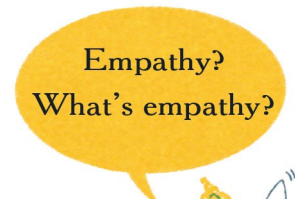

As Wee Unicorn turned to head home she realised that the faeries had been watching.

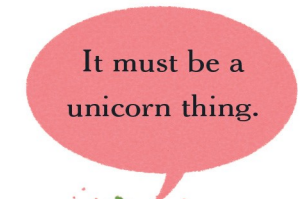

Aren't you going to help everyone?

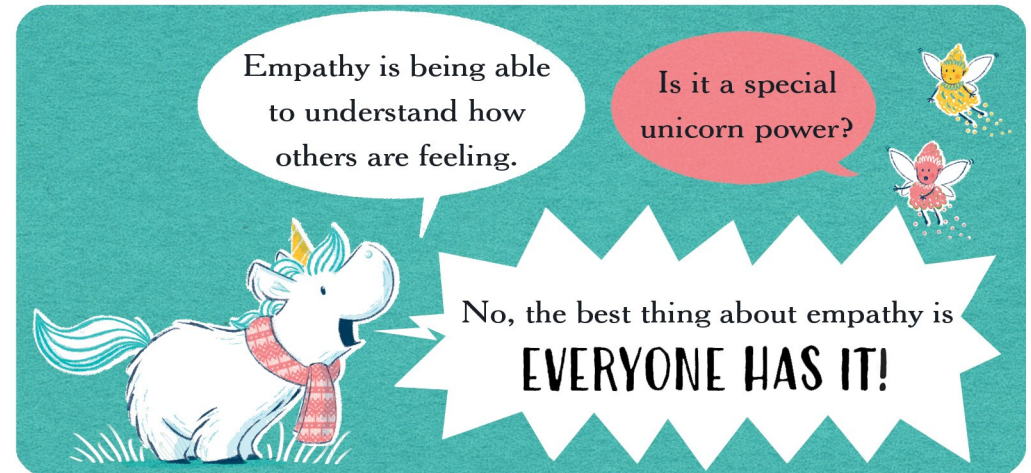

I have helped. I've listened and I've shown empathy.

Empathy?
What's empathy?

It must be a unicorn thing.

Empathy is being able to understand how others are feeling.

Is it a special unicorn power?

No, the best thing about empathy is
EVERYONE HAS IT!
