And just like that we are halfway through term 3! With some chilly days still hanging around we have the swim school pool water set to 34C, and TCC is set at 29C. This should make for nice warm water for all our swimmers.

We would like to welcome all our new families who have joined the AquaJets Family. We hope you enjoy your time at our swim school.

After an extremely busy term 2 period, we are very excited to have race night returning, and even more events coming in term 4!

As always if you have any questions or would like to chat about your little one's progress, please come see one of us.  
**Yours in Swimming,**  
**Brian, Bern, and Bella.**

#### **MAKE UP LESSONS:**

With unlimited make up lessons offered to all families, we ask that you please mark yourself absent via your portal no less than 2 hrs prior to your child's lesson. Your tokens are also not transferable to credit towards current or future term fees.

#### **RACE NIGHT:**

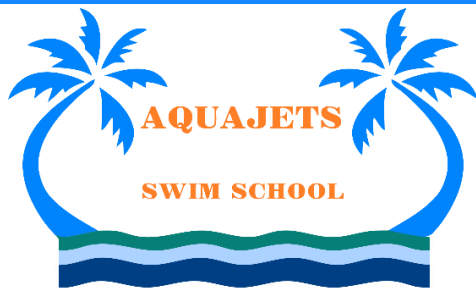

This term we have 2 race nights planned for all swimmers:

## **SPLASH REPORT**

### **PUBLIC HOLIDAYS**

**(No lessons operating)**

**Monday 6<sup>th</sup> October

### **GRANDPARENTS WEEK:**

For all our families who have grandparents living in town, this is the week to bring them along and show off your swimming skills! Free tea and coffee are available at reception for all those attending. Just see Bern and she will be able to help you out!

### **LIFESAVING WEEK:**

Term 3 culminates in-line with the AFL and NRL finals series. Swimmers can come dressed in the favourite sports team colours and/or jersey.

### **ANIMALS:**

We know how much the kids love having the turtle and the birds back at the pool. To help us keep them safe we do ask that kids are supervised when at the tank or the cage. Banging on the tank causes much distress for Squirt. The birds love talking and coming over to people but putting items through the cage could harm or even kill them, so please make sure no food is offered to them.

### **CQ AQUAJETS SWIM CLUB:**

All swimmers in our program have the opportunity to join the CQ AquaJets Swim Club. This has been made even easier thanks to the QLD governments \$200 Play On vouchers which will cover the cost of joining. Full details will be sent to all families soon.
