Welcome to the start of term 4! Who can believe that another year is almost over.

We would like to thank everyone who has chosen to trust us with the privilege of teaching their children to be safer in and around water. We would also like to welcome all our new families who are joining us for the first time.

With even more schools coming onboard for lessons, Bern will be teaching every day between 9am-2:30pm, as such she will not be in reception. If you do need anything, please just call or email and she will get back to you as soon as she can.

As always if you have any questions or would like to chat about your little one's progress, please come see one of us.
Yours in Swimming,
Brian, Bern, and Bella.

SPOOKY SEASON:
After the success of having Halloween month last year – and the lack of available time to set it up during the term, Spooky Season will run for the month of October. With the facility all decorated in friendly Halloween decorations we hope that all our kids will enjoy what's on offer. We do ask that all kids are supervised around the decorations, especially the Jack Skellington at the front entrance. This season will culminate in our dress up competition where all swimmers can come dressed in the favourite costume, with the winner taking home a prize.

CHRISTMAS TIME:
The last 4 weeks of term will be spent celebrating Christmas During this time, we will have our swim school carnival, and our lifesaving week is where everyone can wear their favourite Christmas clothes/togs.
