## GOSPEL

When Jesus was born, angels sang. I'll bet you never thought stars could sing for Jesus, too. But the stars in the sky sang in their own way, just by moving and twinkling in the sky. The Savior was born. Jesus was the King that God's people had been waiting for. Magi who had been watching the sky saw a star much brighter than the rest. They followed that star until they found Jesus, and they worshipped their new king.

## PRAYER

Dear God, thank you for making the stars move and twinkle in a special way, so that the Magi could find Jesus.

## DRAW

Draw a picture of the Magi following the brightest star.
