# GROWING WITH THE *Gospel* CYCLE A

## COLOR

Read the Gospel of the week and color the image.

## GOSPEL

After Jesus arose from the dead, he told the 11 apostles to baptize people in all nations. The Holy Spirit made them able to talk different languages. Around you, you may hear people speaking English, Spanish, French, Chinese, or another language. It is very difficult to understand someone, if you do not talk the same language. Teachers can help you learn different languages so that you can spread God's word to others.

## PRAYER

Jesus, help me spread your word to all parts of the world.

## DRAW

Draw children from different countries talking about God in the same language.
