

### **DISCOUNT FEE POLICY**

It is the policy of The Children's Clinic of Klamath to provide essential medical services regardless of the patient's ability to pay.

We will not discriminate against any person receiving health services because of their inability to pay for services, or because payment for the health services will be made under part A or B of title XVIII (Medicare) or title XIX (Medicaid) of the Social Security Act.

We will accept assignment under the Social Security Act for all services for which payment may be made under part B of title XVIII (Medicare) of the act.

We have an agreement with the State agency which administers the State plan for medical assistance under title XIX (Medicaid) of the Social Security Act to provide services to persons entitled to medical assistance under the plan.

Discounts are offered for cash pay if paid at the time of service.
