## ETCOC Board Member Openings

Have you thought of becoming more involved with the ETCOC ? Well, it's that time of year when we accept applications for new Directors on the ETCOC Board, and there are openings ! We need to hear from you in December, as the election for Directors and Officers will take place at the January Board meeting. The term for a Director is two (2) years. While it isn't a huge time commitment, Directors must attend monthly board meetings and actively participate in committees. Any active member in good standing for one (1) year is eligible to be considered by the nominating committee for the position of Director. If you are interested in being considered for the role of Director please email [ETCOCM@gmail.com](mailto:ETCOCM@gmail.com) by December 31.
