Networking at Jack's

What a fabulous time members and guests had on January 21 at [Jack's](#)!!! We gathered in the bar area to share information about our businesses while we ate some really delicious food. Shane Clifford, one of Jack's owners, really took care of us by providing very generous portions of food (a usual custom for this restaurant) and terrific service! If you have not been to Jack's, you must go, and if you have not been to one of our monthly meetings you are missing an opportunity to meet people.

SWEAT440 Eastchester Ribbon Cutting

There was excitement and enthusiasm at the [SWEAT440 Eastchester](#) ribbon cutting on January 17 ! Friends, family members, and Town representatives were there to help owner Kristen Albert celebrate the grand opening of Eastchester's newest gym located at 367 White Plains Road

diagonally across from AMHAC. A dry cleaner used to occupy the space now filled with equipment and apparatus to get you into shape and make you feel good. Check out the website and book a free class.

Holiday Gifts for the Tuckahoe Seniors

Over 50 members of the Tuckahoe Seniors gathered for a New Year Breakfast on January 6 at Fr. Fata Hall at the Assumption Church. Thanks to the generosity of several ETCOC members we were able to continue the annual tradition of providing holiday gifts to them. Gift bags were filled with items donated by the following members in alphabetical order:
