Networking at Zero Otto Nove

A delicious dinner was enjoyed by members and guests on April 22 at the fabulous [Zero Otto Nove Ristorante](#) in Tuckahoe. We had their upstairs room all to ourselves and enjoyed a wonderful three course meal followed by coffee and dessert. The service was excellent and manager Clyde stopped over to say hello. The restaurant name, Zero Otto Nove, means 089, the telephone area code for Salerno Italy. There are three other locations so check out the website for more information about the restaurants.
