### Finish Strong

We are so thankful for families that are amazingly supportive of Parkhill and its staff. This school year has been amazing but is now coming to an end. There are many exciting things happening this month so make sure you are checking the calendar and looking for important information about fieldtrips and award celebrations. Our students have been working so hard and now we get to honor them for their many accomplishments.

We encourage each family to continue to be faithful in paying tuition, attendance, communication and completion of assignments. We also ask for your assistants with dress code. There have been many students coming in sweat pants and sport shorts. Neither of these are acceptable dress code attire. Please make sure your child is dressed according to the standards we established at the beginning of the school year.

We want to be able to focus on strong academic achievement and standards all the way to the end.

Thank you for your continual assistance with these matters.

We look forward to finishing strong!

*Hebrews 12:1*

*Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us,*

### ***Congratulations!!!***
