We are so blessed to have a school family that works so hard to support Parkhill Christian Academy. You did a fantastic job with the fundraiser and raised just over \$4,600. Thank you for all who participated and to Mrs. Quintana for leading the drive. What a great team!

All items are planned for delivery on December 10th and will be distributed directly after school.

Ms. Jones and the music class did a fantastic job on Veterans' Day honoring the veterans at Primrose living center through songs, gifts and the presentation of the American flag. Our own Trail Life troops were led in by Mr. Torres and followed by the rest of the elementary choir. The patriotic songs and sweet voices were such a joy to experience. As we were leaving the facility, I noticed an older woman crying and wiping away the tears from her eyes. I thought that she must have someone she was missing and remembering. When I gave her a hug and asked if she was okay, she simply responded, "I just love those kids". Parents, your children are a blessing to so many both inside and outside of our school. Our students are full of the "light of Jesus" and it shines through them daily. They have the desire to serve.

As we approach our Thanksgiving break, let's remember to be thankful not only for the *things* that God has blessed us with but also the people that he has placed in our lives. They are a daily blessing just with their presence. Remember to cherish the moments with family and friends and take time to express your appreciation for all they add to your life. May you all have a lovely Thanksgiving Break.

Happy Thanksgiving,

Principal Jamie Vinson
