What an exciting month we have already had together. We have finished all of the beginning of the year (BOY) testing and have started the second quarter. The Elementary students went on their first fieldtrip to Diana's Pumpkin Patch and had an amazing day exploring and enjoying nature. The Secondary students will be heading to the Colorado Pumpkin Patch next Thursday and are sure to have a load of fun as well.

We are now starting our fall fundraiser. You will be receiving a packet with magazines showing delicious holiday delights and amazing Christmas decorating and gift ideas. The money raised will be used for classroom supplies and for the Secondary end of the school year trip to Mount Rushmore. Since we only have two fundraisers a year, we would greatly appreciate 100% participation from each family. Thank you for your continual support of our school development and activities. Let's have some fun selling items and earning awesome prizes.

Just a reminder that this Friday, October 17th is Parent/Teacher conferences. We are looking forward to visiting with you and discussing your child's progress.

In Him,

Principal Jamii Vinson
