Dec./Jan.

Come Join the Fun!!!

Welcome back to a new year. I am praying that in 2026 we will all strive to become closer to our Savior more and more each day. We believe that by growing in a community of like-minded people, we can gain the understanding and support that we need to walk worthy of the calling that God has given each and every one of us. We have some exciting new opportunities to offer our families to become a part of our Parkhill community.

This is our first week for our co-ed elementary basketball team led by Coach Andrews. We are excited about their first game this Saturday.

We have a new afterschool program called *Minecraft Pixelmon* available to all students that are in 3rd grade and older. This program will begin on Tuesday, January 20th at 3:45-5:15 pm. This is a seven week trial period that will be paid for by the school. If we have enough interested, we will continue this program throughout the rest of the school year. If you are interested, please make sure to sign up by January 16th. For more information, you can call the school office at 719-544-6174.

An amazing opportunity for all our girls and mothers is the new program for the young ladies called *Heritage*. They will meet every Wednesday from 5:30-7:00 pm.

During this time, young ladies will learn how to become women of the faith. They will learn how to live a pure and unwavering life for Christ. If you are interested you can contact the office or reach out to the

Heritage Director Melodie Head at 719-250-2454.

We are excited about these new programs and hope you will join our Parkhill community which is filled with many exciting opportunities.
