Happy Valentine's Day!!!

We are excited to announce that our "PCA Attendance Olympics" officially kicked off this week and will run for the next two weeks!

Here's how it works:

- All classes have been placed into four groups.
- Each day that a group has perfect attendance, they will move one step closer to the goal.
- At the end of the two weeks, the group that reaches the goal will earn a special prize!

Attendance matters! Consistent attendance plays a huge role in academic success. It helps students stay engaged, build strong routines, and relationships. It also help them stay focused on academic expectations. We encourage all families to support 100% attendance during the Attendance Olympics and beyond.

We will wrap up the Attendance Olympics with a half day of school on Friday, February 20th. We will dismiss after lunch at 1:00 PM. This day will also serve as a make-up day for one of our snow days. To celebrate, our students will enjoy a day filled with Olympic-style games, friendly competitions, and a free lunch for all participants.

Thank you for partnering with us by support strong attendance and student success.
Let the games begin!

Warm regards,
Mrs. Quintana & Mrs. Vinson
