

Summary of Missions Designated Donations Policy

Presence Church has established a Missions fund to support individuals and organizations designated by the church, with contributions welcomed from anyone. Donors may indicate that their donations go toward any currently supported Missions objectives. The Presence Church Board of Directors and Senior Pastor control the fund's administration and ultimately decide how funds are disbursed with Presence Church withholding 1% of all donations to the Missions fund for administrative costs. If a specific Missions objective becomes inactive before any remaining funds are disbursed, donations will be directed to a different Missions objective and the discretion of the Presence Church Board of Directors and Senior Pastor, and if the entire Missions fund is closed in the future, any remaining funds will be transferred to the church's General Fund.
