Observations and photographs

As part of our commitment to provide for the individual needs of your child we will observe all areas of development, and in partnership with you, record progress in those areas in order to plan appropriate activities within the nursery.

These observations and records will be available for inspection by Ofsted, otherwise they will be confidential and available only to you and those nursery staff involved in planning the early learning for your child.

The nursery offers training placements for childcare students who, in order to complete college assignments, will be asked to observe play. Individual students will be asked to gain your written permission to carry out these observations and use them in their assignment work.

Any photographs taken of your child by nursery staff or childcare students may be used in nursery displays but will not be taken off the premises.

Please consider the above and return the separate completed permission slip to the nursery manager.

Permission to take children off the premises

As part of early learning planning, the nursery will arrange local visits and walks in the neighbourhood to support children's knowledge, understanding and experiences. For example, they could learn about different kinds of food and cooking ingredients during a trip to a supermarket, or collect objects of interest for a collage or table display during a walk in the park.

For your child to take part in such activities we require written permission from their parent/carers.

All outings away from the nursery will be assessed to identify risks and measures will be put in place to ensure children, staff and assistants are safe during their time away from the nursery (please refer to our Visits and outings policy).

Adult to child ratios will be higher than normal.

Please note that separate letters and permission slips will be sent out for visits and trips further afield.

Please consider the above and return the completed permission slip to the nursery manager.
