CAPABILITIES STATEMENT

Core Competencies

Areas of Expertise:

- Government contract courier and logistics services, including time-critical same-day and rush delivery within the DC metro region.
- Secure lottery ticket distribution operations: pick-and-pack, warehouse management, Tel-Sell customer service, and inventory control in compliance with DC Lottery procedures.
- 24/7 courier support for sensitive materials, including proof-of-delivery and real-time GPS tracking.
- Staffing and workforce management for long-term government service contracts, providing fully vetted and trained employees who can be cross-utilized in warehouse and customer service roles.
- Technology-enabled route optimization and digital chain-of-custody tracking to maximize reliability and minimize costs.
- Flexible service delivery across government, nonprofit, and event-based clients.

Differentiators

Innovators:

- Proven success on major DC government contracts — consistently rated “Excellent” for quality, timeliness, cost control, and customer satisfaction.
- CBE-certified, veteran- and family-owned small business deeply rooted in the District; focused on creating local jobs and supporting local initiatives.
- Integrated staffing + logistics model — capable of filling warehouse, courier, and Tel-Sell functions with cross-trained personnel for seamless operations.
- Exceptional client service, as cited by Events DC leadership for responsiveness and efficient problem-solving.
- Scalable infrastructure with the ability to quickly ramp up operations for expanded routes, seasonal surges, and specialized government projects.

Past Performance

Approved Working Partnerships:

- DC Lottery Ticket Distribution Services (Contract No. CFOPD-25-C-018) 5-year requirements contract providing bonded, insured, and trained staff to handle secure warehousing, order processing, Tel-Sell agent support, and pick-and-pack distribution of instant lottery tickets.
- Events DC Courier Services (Contract No. AGR-23-30000088) — On-call and scheduled courier services across the DC metro region, including sensitive material handling, with proof-of-delivery and GPS tracking.
- USA Couriers / IDT Medical Logistics — Specialized same-day courier services for laboratory and medical materials across the DC-MD-VA region.
- High client satisfaction, with official evaluations and recommendation letters citing professionalism, timeliness, cost-effectiveness, and the ability to adapt to evolving client needs.
